27th September 2022

Dear Parents,

During this year's season of harvest, Valley Primary School has once again decided to support the work of Bromley Foodbank.

As a school, they have asked us to donate one of two items from the list below:

- Reduced sugar rice pudding
- Soup

For those families who are in a position to donate, pupils can bring the listed items into school and place them in the donation boxes in their classrooms. The closing date for donations is **Friday 7th October**.

Yours sincerely,

Mr. S Jackson
Head Teacher
