<p>Golden Time</p>	<p>To make your life easier from now on we will hold Golden Time sessions at 2:30 pm as per daily check-in pm Story time. This week the theme if you wish to play along is to wear something spotty!</p>

The children attending school will be following the learning timetable below. However, we are very aware that many of you are working and also have other children at home. This timetable is for guidance and we hope that you can access the recorded lessons at times that suit you.

Independent differentiated follow up tasks will be set daily by email. Differentiation will be marked by the chillies – the more chillies the harder the task. As a parent you can choose which chilli you would like to start on and you can (but do not have to) work your way through the activities.

Please note the phonics set for Tuesday and Friday has stars rather than chillies but the principle still applies.

At school we would be doing Maths and English every day, but initially we are starting with one core lesson a day. With that in mind we will set some additional SPaG (for English) and Mental Maths activities for those who wish to do more.
