Help the astronaut to subtract 9 from these numbers. Write the answer below the number.  
e.g.  $37 - 9 = 28$  and so write 28 in the box under 37.

Help the astronaut to subtract 11 from these numbers. Write the answer above the number.

e.g.  $42 - 11 = 31$  and so write 31 in the box above 42.

42	33	18	41	23	14
