MEAL PATTERN

Dear Parents/Carers

Please complete the form below for your child's meal pattern.

These meal patterns will be effective for a **complete** half term. At the beginning of the next half term, your child will have the opportunity to complete a new meal pattern.

It is important that your child adheres to their meal pattern, if not, this has a negative effect on the overall efficiency and pupil enjoyment of lunchtimes. Pupils will need to wait while the Kitchen Team cook additional meals resulting in some children returning to class late for their afternoon learning.

Thank you

School Administration Team
