

***Please note that videos of the book of the week being read and the songs highlighted in bold including the Jolly Phonic ones will be sent by Parent Mail on the day of the activity.**

	Monday	Tuesday	Wednesday	Thursday	Friday
Personal, Social & Emotional Development	Throughout the week encourage your child to talk about their feelings. You may need to name the feelings first as this helps them develop an understanding of these in the future.	Throughout the week encourage your child to talk about their feelings. You may need to name the feelings first as this helps them develop an understanding of these in the future.
Communication & Language	There are many ways you can travel to France. Which is your favourite way to travel? Why do you like this form of transport?	Encourage your child to talk about a place they have enjoyed visiting. Try to use open ended questions when talking with them.	Sing songs about the weather: What's the weather like today? Rain Rain Go Away I Hear Thunder Incy Wincy Spider	Place objects or toys in different places See if they can find the object or toy by saying for example: "It's under..." "It's next to..." "It's on top of..." "It's behind..."	Sing the song Choo Choo Choo which explores different forms of transport. Copy the actions or have a go at making up your own.
Physical Development	In the story Madeline has to visit the hospital. Can you think of ways to keep fit and healthy?	Use some masking tape or chalk and draw a line and walk along it. For more of a challenge ask your child to do these actions instead: Jump Hop March Walk backwards	Made"line" writing. Use the attached sheets for your child to practise drawing different types of lines. Place on a tray and cover with sand, flour or salt and ask your child trace over the lines with their finger.	The Tour de France is a famous race that takes place every year. If you have a bike or scooter have a race around your garden and wear something yellow like the winners do in the race.	Try one of the fine motor skill activities on the activity cards shown below or have a go at all of them.
Literacy	*Our book this week is Madeline by Ludwig Bemelmans. Try and listen to the story daily as this helps your child gain a good understanding of the story. https://www.youtube.com/watch?v=JZQ3Or84G9U	Recap the story and focus on words that may be new to your child such as: Straight Frowned Frighten Appendix Disaster	The children in the story sleep in beds lined in a row. Write down the letters of your child's name, cut them out and hide the letters in their bed. See if they can put the letters together to make their name.	The Madeline story is written in rhyme. Use short words such as hat, dog and pen to see if your child can think of words that rhyme with them.	*Sing the Jolly Phonic songs for the sounds s, a ,t and i. Think of words that begin with these sounds.

Mathematics	Use any objects or toys you have and make two lines with them like the children did in the story. How long can you make the lines?	Make the Eiffel Tower using any blocks or bricks you have at home.	Sing the song 5 Brown Baguettes to the tune of 10 Currant Buns. Details of the lyrics will be sent with the daily email.	Count to ten in English using your fingers and then have a go in French.	Crepes are a popular food in France. Use the recipe below and have a go at making some.
Understanding the World	Learn some fun facts about France. Click on the link below: https://www.youtube.com/watch?v=F-xdxWg7OcQ	Learn two songs in French Frere Jacques and Une Sourie Verte (a green mouse)	See if you can find the following landmarks in France on the internet. Eiffel Tower Arc De Triomphe Notre Dame Cathedral The Louvre Museum	Claude Monet was a famous French artist who painted in water colours. Have a go at making water colours. See details below on how to make them. Click on the link below to see some of his paintings. https://www.youtube.com/watch?v=xNLjdLadPy0	Think of all the ways you can travel to France.
Expressive Arts & Design	Paint a French flag. What colours make up the flag and how many are there?	Madeline wears a hat when she goes to school. Have a go at making a hat using anything you can find at home.	In the story Madeline's friends send her some flowers. Use an egg carton to create your own flowers. See details below.	Use any objects or toys you have at home to create a boulangerie (bakery) where you can pretend to sell pain (bread) and gateau (cakes)	Use the water colour paints you created yesterday and paint a picture of your choice.

Making water colour paint

Ingredients

Food colouring

Water

Method

1. Fill each slot in an ice cube tray up to $\frac{3}{4}$ with baking powder and add 1-2 drops of food colouring to each slot
3. Slowly add water and gently mix. The baking powder will dissolve
4. Add a little more baking powder until you have minimal water left
5. Leave out to dry overnight or place in the freezer for 3-4 hours.

Crepe Recipe

Ingredients

1 cup plain flour

2 cups of milk

3 eggs lightly beaten

Cooking spray

Method

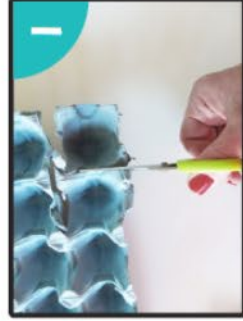

1. Sift flour into a bowl.
2. Combine eggs and milk in a jug
3. Whisk flour into the milk and egg mixture until you have a smooth thin batter
4. Heat a non-stick pan on medium heat. Spray with cooking oil and spoon in 2-3 tablespoons of batter, taking care to immediately swirl the pan to spread batter and reduce heat to low.
5. Cook until the surface looks dry and flip to cook the other side. Remove when slightly golden

Egg Carton Flowers

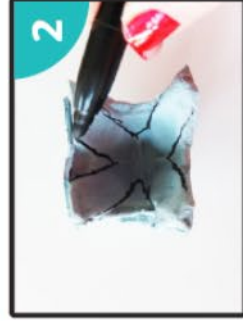

You will need:

- an egg carton
- poster paints or felt tips
- white glue
- glue spreader
- a plate for the glue
- scissors
- pen or pencil
- buttons, coloured paper, scrap of material, beads, small pom-poms or sweet wrappers

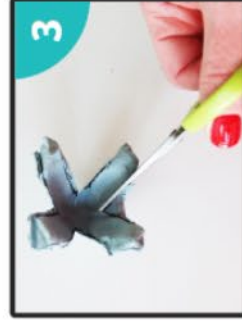

What To Do:

Using scissors, carefully cut the egg carton into individual egg cases.

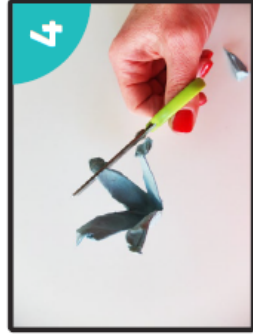

With a pen or pencil, draw four evenly spaced, large V shapes on the inside of each egg case.

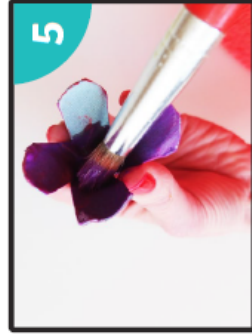

Carefully cut out the V shape from each egg case.

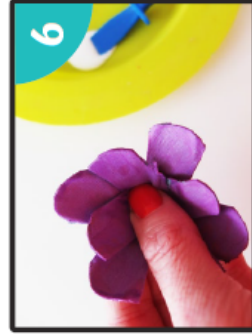

Using scissors, carefully cut the points into a rounded shape. Each point should be a petal.

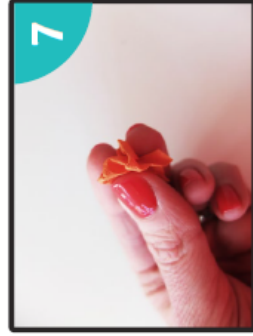

Using poster paints, paint the egg cases all over. If you don't have paints, you can colour them using felt tips.

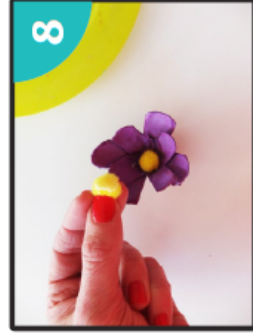

When the paint is dry, use the glue to stick two egg cases together. Take care to position them so that the petals are not lined up in front of one another.

Now, make your pollen for the inside of your flower. This can be made using buttons or pom-poms or by scrunching up small pieces of material, paper or sweet wrappers.

Finally, glue your pollen to the inside of the egg case.

Fine Motor Skills Activities

Fine Motor Skills

How many beads or buttons can you thread on a lace or string?

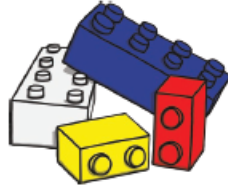

Can you make a pattern using different colours?

Fine Motor Skills

Use small building bricks to make a construction.

Can you push the bricks together and then pull them apart?

Fine Motor Skills

Use tweezers to see how many pieces of pasta, rice or pom-poms you can pick up.

Fine Motor Skills

How quickly can you do up buttons or zips on a jacket or coat?
