

The Engine Shed is a **special interest** group for children, young people and their families on the **autistic spectrum**.

We currently have two sites one in Reading and another in Chingford.

Our branch is based in **Bromley** at the **14th Bromley Scout Hall**. It will be on the first **Sunday of the Month** from **11 am till 2 pm** and **free for all to attend**.

Address: 93 Plaistow Lane, Bromley BR1 3AR The

key aims of The Engine Shed are:

- To provide a unique special interest facility for autistic children, young people and adults and their families or carers;
- To provide an opportunity for families to share and learn new strategies for promoting the learning and social skills of our children, using their love of trains as an entry point;
- To create a friendly and supportive atmosphere in which all children, siblings, parents and other family members can feel comfortable and relaxed;
- To provide opportunities for brothers and sisters with autistic siblings to share experiences
- You do not need a diagnosis to attend, only a love of trains.

Everybody is welcome. If you think your child or someone that you know would enjoy the sessions, please come along. There is no charge for attendance.
