1st September 2020

Dear Parents,

Following my update last Friday, I have now received further information from the Public Health Team in Bromley. This new guidance states that any pupil or staff member who displays COVID-19 symptoms should self-isolate for 10 days from symptom onset.

Attached with this update are two flyers which outline the action that needs to be taken if someone displays symptoms or tests positive for COVID-19.

The parental version of the school's risk assessment along with other information will be uploaded to the school website by the end of today. Please look under the Parents tab on the home page followed by the September 2020 Re-opening tab found on the left-hand side of the screen.

Regarding lunchtimes, Reception, Years 3 and 4 will eat their lunch in the classrooms whereas Years 1, 2, 5 and 6 will eat their lunch in the Main Hall. Tables and chairs will be cleaned in between each sitting.

Bromley Living Streets, a local charity, has prepared a short travel survey about the return to school this week and parents are encouraged to complete the few questions that it asks.

The survey can be found here: <https://www.surveymonkey.co.uk/r/7CTFCHV>

Wherever possible, parents and pupils are encouraged to walk, cycle or scoot to school rather than take public transport.

For pupils and parents who fall into the clinically extremely vulnerable group, please do contact your GP to discuss your child's return to school. Parents are also welcome to contact the school or the **School Health Team on 0300 330 5777**.

Once again, a reminder that the school phone lines are open until 3pm today should you have any further questions about the pupils' return to school on Thursday.

Yours sincerely,

Mr. S Jackson
Head Teacher
