Dear Parents and Carers,

Update on Mat Expansion

I am very pleased to be able to confirm that Cage Green Primary School was formally transferred to Connect Schools Academy Trust (CSAT) on 1 July 2019.

Cage Green is a two form entry primary school in Tonbridge, and Senior leaders from CSAT have already been working with the school in preparation for the transfer to the Trust. It has always been our intention to create hubs of schools that provide local school improvement solutions with the support of our central team, and the transfer of Cage Green, along with the opening of our new school, River Mill in Dartford, in September are the next stage of our expansion.

We welcome the staff, parents and children of Cage Green into the Trust where we will support them to be the best that they can be.

Yours sincerely

Andrea Carter
CEO
