

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Seasonal Change (ongoing)	Materials Properties: Everyday Materials	Plants: Common names and Basic Structure	Animals and Humans	Plant/ Seasons recap <i>Opportunity for longitudinal studies from Autumn term</i>	
Year 2	Material Properties: Uses of Materials	Animal Survival	Health	Plants: Plant Growth	Environment: Living things and their Habitats Recap on plants <i>Opportunity for longitudinal studies from Spring 1</i>	
Year 3	Plants: Functions of parts of a Plant	Material Properties: Rocks	Animals: Skeletons and Movement	Animals: Health and Nutrition	Forces and Magnets	Light, reflections and shadows
Year 4	Animals: Teeth and Digestion	Electricity	Sound	Environment: Living things and their Habitats	Materials Properties and Changes: States of Matter	
Year 5	Forces: Effects on Movement	Earth and Space	Material Properties: Testing Material Properties and Reversible Changes	Evolution	Life Cycles: Animals and Environment	
Year 6	Exercise, health and the circulatory system	Electricity	How light travels	Living things and their habitats: Classification	Scientific Enquiry	

Science Year Group Overview
