			 <p>Janno made a big dish of sorcery benachin for lunch, but Grace wouldn't eat any. "I'm not hungry," she said. "She's probably still getting over the long flight," said Janno.</p>		

Task 1: Cut out and order the pictures from the story.

Task 2: How is Grace feeling at each point in the story? Choose an emotion card and stick in under each picture. You can use your own words too if you would like.

Task 3: Write sentences using 'when' to describe how Grace was feeling. Use the common exception word 'she' to start your sentences. E.g

She felt excited when... She felt shy when... She felt happy when...
