Dear Parents,

We very much look forward to welcoming pupils in Years 1 to 6 back to school tomorrow.

The roofing work is progressing well and, as previously mentioned, it is hoped that the majority of the work will be completed by the beginning of October. At the moment, there is no access to the school via the archway gate so please access the Main Reception by using the pedestrian gate near the staff car park.

For those parents wishing to use the school's Breakfast and / or After School Club, places must now be booked using the Arbor App. Bookings for Breakfast Club should be made before midnight the night before you would like your child to attend the morning session.

Weather permitting, there will be a selection of washed, pre-loved uniform on display on the playground this week for any parent who would like to pick up some spare items of clothing for their child. Please remember to write your child's name and class on the label of each item of uniform as this really does help return items of lost property.

Yours sincerely,

Mr. S Jackson
Head Teacher
