# Chinese Lantern

## Supplies

- A4 coloured card
- PVA glue
- Scissors
- Sequins
- Glitter
- Ribbon
- Sticky tape

**Step 1.** First fold the piece of card in half lengthways. Now hold the card horizontally from the folded edge and use scissors to cut lines which go from the fold, down towards the edge of the card. Make sure that the cuts stop before the edge of the card! Also make sure to space them out so that there is around 3cm between each cut.

**Step 2.** Now open the card out and lay it flat so that it is ready to decorate. You can use PVA glue to cover parts of the lantern with glitter. You can also stick on some sequins and lengths of ribbon along the bottom edge.

**Step 3.** Once completely dry, bend the card around into a cylinder shape. Secure it in place using sticky tape.

**Step 4.** Now make a handle for the lantern. You can use a piece of ribbon and attach it to the top of the lantern on the inside.
