

Your Time At Victory Park Academy

Induction:

Places are available for pupils from mainstream schools who are experiencing difficulty in engaging in their learning and are beginning to exhibit disruptive behaviours that disrupt their own learning and the learning of others. The programme looks to meet pupils' needs by providing a positive learning experience. Teaching effective strategies to modify pupils' behaviour in school. Raising pupils' confidence and self-esteem. Identifying issues for schools to address in order to maintain successful reintegration. The programme includes academic and behavioural assessment. An 'academic strand' including Numeracy and Literacy. An 'emotional literacy strand' including strategies for coping in school, managing feelings, social skills and self-reflection.
