

3<sup>rd</sup> September 2024

Dear Parent/Carer,

As we embark on a new academic year, I would like to extend a heartfelt welcome to all our students and families. Whether you are returning to our school community or joining us for the first time, we are thrilled to have you with us.

This year, our focus will be on academic excellence, student well-being, extracurricular activities and we have several new initiatives planned to enhance the learning experience for our students. We are committed to providing a supportive, nurturing environment where every child can thrive academically, socially, and emotionally.

I want to take a moment to express my gratitude for your ongoing support of Victory Park. Your involvement in your child's education is invaluable and plays a crucial role in their success both inside and outside the classroom.

A key area is to reinforce the importance of education. Encouraging your child to take their studies seriously, helping them establish good study habits, as well as remaining engaged with their progress are all vital to their academic success. Please continue to take time to discuss what they are learning, and attend parent-teacher meetings. Your engagement sends a strong message that their education is a priority.

Additionally, I would like to emphasize the importance of our school uniform policy. The uniform is not only a symbol of school pride but also helps create a sense of equality and belonging among our students. We ask for your cooperation in ensuring that your child adheres to the school uniform guidelines every day. This includes wearing the correct uniform items, ensuring they are neat and presentable, and avoiding any non-uniform items during school hours. Adhering to the uniform policy helps maintain a focused learning environment and prepares students for future responsibilities where dress codes may be important.

We understand that occasional challenges may arise, and we are here to support you in any way we can. If you have any concerns or difficulties related to the uniform or your child's educational progress, please do not hesitate to reach out. We are more than willing to work with you to ensure that all students have what they need to succeed.

As we move forward, please don't hesitate to reach out to your child's teacher or to me directly with any questions, concerns, or ideas. Our goal is to work together to create the best possible learning environment for all our students.

Once again, thank you for your continued partnership. Together, we can ensure that this year is a successful and rewarding one for all our students.

Yours sincerely,
