

## **Pupil Voice - Meeting Notes**

**Meeting Date:** 16<sup>th</sup> June 2023 **Meeting Time:** 9:15am

**Meeting Agenda:** End of term activities / Other pupils' agenda

### **End of term activities**

#### **Are you enjoying the end of term week activities?**

Yeah, we like that the last week is more fun making the end of the term good.

#### **What types of activities have you enjoyed so far that have been offered?**

- Eastwoodbury lane football pupil's vs staff
- Stubbers
- Film time

#### **Are there any other activities you would like us to consider going forward into next year??**

- Watersports
- Airsoft
- Murder mystery
- Escape rooms
- Gaming consoles in classrooms (xbox/playstation)

#### **What enrichment / rewards do you think would be good for next year?**

- Rock up
- Laser tag
- Swimming

#### **Do you think there are any areas we need to look at further?**

Breaks and lunchtimes are boring, there isn't enough for us all to do. We need more areas to be allowed to go during lunch and break as we end up just walking around the corridors which teachers don't like.

##### **What would you suggest we included?**

- Having a designated room for films/TV
- Music in the pool room
- More seating in the pool room
- Playstation/xbox room or classroom we could go to
- More areas to sit outside that are nice. Some in the shaded area.

## **Other AOB raised by pupils**

Pupils have raised having music on during class when they are set independent work during lessons.

They are enjoying the new menu changes for lunch, but feel at break or breakfast something different from toast needs to be offered. This is because they feel toast twice for breakfast club and break is too much and they need more variety. Some of the examples given were;

- Sausage rolls (break)
- Cereal (breakfast club)

The pupils said they feel the baguettes should be changed to rolls as they feel the baguettes are too dry.

Pupils have expressed an interest in organising an ice cream van which stops on the school road at the end of the school day in the summer term so they can buy ice creams to walk home with.

Pupils want to partake in more sporting events within the local or further community such as borough sports, football & basketball matches.

The idea of having a school sports team too for these events would be beneficial to a lot of pupils.
