

Pupil Voice - Meeting Notes

Meeting Date: 19th March 2025 **Meeting Time:** 13:30pm

Meeting Agenda: School activities & uniform

School activities

What school activities do you enjoy and what would you like to see added?

When talking about our school activities students had lots to say and came up with some brilliant ideas for future trips. They said that they feel like these trips are a good way to get to know other pupils better and form new friendships.

Here are some of the trips students would like to attend –

- More shopping trips where they have to earn vouchers
- Pottery painting (create 98)
- More opportunities to go to the zoo
- Marsh farm
- Rage room
- Escape room
- Go ape
- Sea life centre
- Nerf war (ultimate nerf party)
- Laser tag
- Lush bath bomb making experience (Lakeside)
- A big school picnic at Belfair woods

What are your thoughts on the school uniform?

Some students have said that although they miss wearing a shirt and blazer like they did from their previous school they are happy with the uniform that we have.

Any other business?

Students mentioned they would like to have a whole school fun day and invite Sutton house academy to join us over in the Victory Park academy playground. Students would like to have a BBQ with music and lots of different games where everyone can get involved such as; egg and spoon race, tug of war – staff v pupils and a three-legged race.
