Meeting Agenda: Lunch menus

Lunch means

How do you feel we could improve the lunch menu?

Overall, we like the current lunch menu and what we have on offer. We had a look over the menu and discussed how we might be able to improve this such as –

- Having more cheese when we have meals like spaghetti.
- A wider variety of sauces offered.
- A little more spice in the chilli on carne.
- We would like to have bigger portions

Although we like the all day breakfast, we think that having this on a Friday just before we go to oxygen can sometimes makes us feel full and not want to bounce around so much. We therefor would like to see if we could have the all-day breakfast on a different day of the week.

What would you like to add to the lunch menu?

We have thought of some things that we would like to have added/changed to the lunch menu such as –

- Nachos. Layered with salsa and cheese.
- Spicery chicken wings. We had these before and really enjoyed them.
- Pizza
- Coronation chicken for baguettes and on the jacket potatoes.
- Spicery rice.

Any other business?

We would like to be able to go off the school site at lunch time so that we can walk to the shop and get a drink or snack. We would not go far and perhaps a member of staff could come with us to make sure we are back at school on time for tutor.
