

## How to Join a Meet – Pupil Instructions

**Step 1:** Log into your google classroom as previously directed.

**Step 2:** Once you have logged in there should be a 'Meet link' that you can click on, in the main class banner, under the class name.

**Step 3:** When you click on this link, it should automatically open 'Google Meet', where you will be able to talk to your teacher face to face

The screenshot shows a Google Classroom interface for a class named "Phone Test Class". The main banner area contains the class name, a class code "mkem6gn", and a "Meet link" which is circled in red. The link is "https://meet.google.com/lookup/a7ufkb6hyv". Below the banner, there is a "Share something with your class..." section, followed by a list of posts from Katherine Peck dated 22 May, including "More tests" and "Endless possibilities". A post from Katherine Peck also includes a link to "Start a video meeting for..." with the URL "https://support.google.com/e...". At the bottom of the page, there is a taskbar showing the Windows logo, search icon, and several application icons, along with the system clock showing 10:35 on 04/06/2020.
