

Pupil Voice - Meeting Notes

Meeting Date: 29th September 2022 **Meeting Time:** 13:15pm

Meeting Agenda: Rewards & Enrichment

Rewards

Which of the reward trips do you feel are successful and enjoyable for pupils which we already offer?

- Basejump
- Stubbers
- Mcdonalds
- Starbucks

What trips would you like for us to offer in the future as options?

- Go Karting
- Roller city
- Rage Room
- Lakeside Trip
- London Trips

Enrichment

What enrichment activities do you enjoy that we offer?

- Football at Chase football
- Thriftwood
- Comabat Academy
- Street art was good - but too short

Is there anything you would change about our enrichment programme we offer?

Thriftwood can get boring as we go twice a week and end up repeating activities. Would be nice if we did just one session of Thriftwood and then something else like base jump or rock climbing. – Pupils from LEAP/STAG

There should be more enrichment activities offered especially in the afternoon as I struggle to focus and concentrate in the afternoon. Plus, I sometimes have a lot of energy in the afternoon so find it hard to stay in class and sit still. – Year 10 pupil.

What enrichment activities would you like offered as part of our programme?

- Animals, school pets to look after
- Music
- Cooking

- Sports

If not, how would you improve the system?

Teachers to have discussions with pupil's individual about are targets, and how they could improve our work.

Why would you like music, dance, drama added to the curriculum then?

More fun, more practical which we enjoy more. Could be spread out so 3 lessons a week. Lesson 1 music, Lesson 2 Dance and Lesson 3 Drama.

Timetable

We find having English, maths and science all together. We want more practical lessons especially in afternoon as struggle to focus in the afternoon.

Rewards & Enrichment

Would you like the basketball guys to come back?

No, we don't like the basketball guys.

What do you think of the reward boxes and are they working?

Yeah, we like them, but they need updating more frequently.

We want more food in them such as chocolate and sweets. We would like fidget toys and things like play putty as they help with keeping us still and we enjoy these things.

What trips do you enjoy or would you like to see offered in the future?

We enjoy Base jump, the football matches with staff.

We would like to do a trip to the fire station and do like an experience day there, paintballing, laser tag, ice skating, roller city, escape rooms and bowling.

We don't want to do horse riding doesn't seem like would be fun and what if we are scared of them.

Other AOB raised by pupils

We want the girl and boy groups back and on a regular basis.
