Monitoring and evaluation

SLT will monitor the effectiveness of the policy.

Term-Time Holidays

Please be aware that since the change of regulations Sept 2013, the law regarding term-time pupil absences has changed. The new regulations state that "Head of Academy may not grant any leave of absence during term-time unless there are "exceptional circumstances".

Therefore, any requests for term-time holidays will not be authorised and any such absences will be marked as unauthorised and trigger a Level 2 Attendance Intervention and/or a Penalty Notice may be issued to each parent, resulting in a £60 fine, increasing to £120 if not paid within 21 days. Failure to pay the fine will result in a court prosecution for their child's non- attendance

The following has been taken from Southend's Child Missing in Education Policy 2015 (CME)

If a pupil does not attend the academy for ten consecutive days and is registered unauthorised and the academy is not aware of the whereabouts of the pupil, they will refer to the Local Authority Child Missing Education Officer.

If a parent advises the academy that their child will be moving to another school, the academy may remove the pupil from their register, only when a confirmation letter from the parent/carer and proof of registration at another (OFSTED registered) school is provided. Until that time the pupil remains on the register of the academy and parents/carer are responsible for ensuring their attendance. If the pupil continues not to attend then the case is referred to the Local Authority Attendance Support Service and formal processes triggered. This could result in a Penalty Notice being issued to each parent, resulting in a £60 fine, increasing to £120 if not paid within 21 days. Failure to pay the fine will result in a court prosecution for their child's non-attendance.

Elective Home Education

If a parent makes the decision to remove a pupil from role and education their child at home the following steps must be taken.

In all cases where a parent is removing a child from the role of the academy to educate at home or 'otherwise' the academy must alert the Local Authority Attendance Support Service, Admissions and any supporting services such as EHFS.

In the first instance: Where there are welfare concerns for the pupil, the school must consult with Social Care and Local Authority Attendance Support Service to establish that there are no reasons why the parent may not exercise their right to remove the child from school role and 'educate at home' or 'educate otherwise'

Where there are no welfare concerns

- Parents inform the Academy that they intend to remove their child from school roll to 'educate otherwise'.
- The Academy advise the parent that they must make their intention clear in a formal letter addressed to the school, dated and signed.
- The Academy receives a dated and signed letter from the parent stating their decision to remove the child from the Academy in order to educate them at home.
- If the parent is stating they wish to remove the child from the Academy role and send them to a Non Ofsted registered school, they must state clearly in a signed and dated letter their intention to 'educate otherwise'.
