KEY STAGE 4 PROGRAMME

Our vision is to support our young people to access and to continue in education as life-long learners, in an aspirational learning community that strive to enhance the life chances of its pupils from all backgrounds in a culture of ambition that enables them to be equipped with a passion for self-development and committed to the community within which they will live and work.

THRIVE. LEARN. ACHIEVE.

Your Time At Victory Park Academy

Induction:

During induction we assess pupils needs and prepare an appropriate tailored programme of support. This can included a personalised timetable, which will ensure each student can make the progress needed to succeed at either at VPA, in their next school or in further education or employment. We also work closely with students and their families to ensure we all set aspirational academic targets in order to gain the necessary accreditation required for their next steps. The main aim of all our Key stage 4 programmes is to enable students to be best prepared for their successful move into the world of training, further education or work-related-learning.

Timetable:

9:00—10:00—Lesson 1

10:00 –11:00—Lesson 2

11:00—11:15—Break

11:15—12:15—Lesson 3

12:15—13:00—Lunch

13:00—13:15—Pupil Focus

13:15—14:15—Lesson 4

Transition:

We provide Outreach for pupils transitioning to and from mainstream. We provide continued support for post 16 and careers guidance.
