

Online arts and crafts club

Dear Parents/Carers,

I am offering an online art and crafts club that is open to Year 3, 4, 5 and 6. The club is not live, but I will be creating weekly Loom videos and providing an art pack, which includes everything your child needs to complete the activity. The packs will be given to the children directly, in school.

This is an opportunity that allows your children to be their inner artist, whether that be Vincent Van Gough or Pablo Picasso. If your child enjoys creating new things, then the arts and crafts club could be for them!

My club encourages 'off screen' leisure time, with a completely separate part of the brain being used and some curriculum being thrown in for good measure, without the children even noticing!

Your child will complete a variety of activities, from drawing and painting to decorating objects and creating their own designs.

The fee includes all the materials and equipment needed to complete each week's activity, plus a Loom video which is a pre-recorded video explaining the weekly activity and the resources needed to complete it. The Loom link will be emailed to you on Wednesday each week, for 6 weeks, starting Wednesday 21st April and finishing 26th May , just in time for the half term.

The club will run for 6 sessions, £5 for each session per child. The total amount for all 6 sessions will be £30.

If you would like to reserve a place, please contact me by email (below) with your child's name, class, your contact email and any allergies, I should be aware of. All places are provisional until payment and medical details are received.

Additional information for the club and payment details will be provided in your confirmation email. Deadline for return email is 2nd April 2021.
