

CHESS CLUB

WEDNESDAYS, 3.30 pm to 4.30 pm
Players & Beginners
Years 3-6

Chess club will return on Wednesday 22nd April 2026, 3.30 – 4.30pm and is open to new and existing members.

Research has shown that chess improves children's academic performance, particularly their mathematical and problem solving abilities by:

- Developing critical thinking and logical reasoning
- Improving numeracy
- Improving concentration and patience
- Promoting imagination and creativity
- Teaching children about planning ahead
- Teaching that their actions have repercussions

BEGINNERS learn how to play and **PLAYERS** enhance the skills they already possess. There shall be tournaments within the club, where prizes of trophies and medals are up for grabs in different tournaments for various age groups/abilities.
