

Le Club Français

Wednesday 12.40 - 1.10 Beginners Years 3 & 4 ICT Suite
Wednesday 12.10-12.40 Intermediate Years 4,5 & 6 ICT Suite

I will be running a **French** club for All Years at lunchtimes as detailed above, starting Wednesday 14th September for 12 weeks. The last sessions will be Wednesday 7th December (there will be no club on 26th October as it is half term). The club will be run in 2 groups - I have split them into beginners and intermediates so those children who have been learning with me for a while and whose level is beyond what is expected of their year group can choose to go into the Intermediate group. This will mean the younger children in that group will have to go to a later lunch on that day, just so they are aware. I like to include songs and games and keep the sessions as fun and interactive as possible.

I will give the children a folder unless they already have one and I would encourage them to bring it weekly to keep everything together.

If your child is interested in taking part in French club, please can you email me directly at tesselment@btinternet.com giving your child's name, year group AND class, parent/guardian name, contact number and email. Can you also specify any allergy or health information I need to be aware of and if you give permission for me to take pictures (these will just be used internally to show you and/or their teachers progress in the language). And finally please can you let me know if they are complete beginners or have done French before/speak French at home so I know which group to put them in. Please can you ensure you pay £60 by bank transfer prior to the club starting to ensure you secure your place. Places will be offered on a first come first serve basis and you will be notified directly if your child has been successful in gaining a place.

Best wishes
