## **Governance structure**

The Governing Body reviews and agrees its governance structure annually and has agreed a flat (no committee) structure for 2024-25.

Governance is conducted through meetings of the Full Governing Body and is not delegated to sub-committees.

The Governing Body meets twice a term for full Governing Body meetings, and additional for finance specific meetings in November and April.

Statutory committees for Head teacher appraisal and Pay are in place and membership of these committees is shown in the table above. Governor panels are convened as needed.
