Governance structure

The Governing Body reviews and agrees its governance structure annually and has agreed a flat (no committee) structure for 2025-26.
Governance is conducted through meetings of the Full Governing Body and is not delegated to sub-committees.
The Governing Body meets twice a term for full Governing Body meetings, with additional finance specific meetings scheduled where appropriate.

Statutory committees for Head teacher appraisal and Pay are in place and membership of these committees is shown in the table above.
Governor panels are convened as needed.

[1] Attendance is shown as a percentage of total possible attendance at full Governing Body meetings (adjusted where a governor has joined or left the Governing Body mid-year). Governors also attended training, Whole Governing Body training and visited the school.
[2] Assurance-seeking /monitoring of SDP priorities is through Governor visits shared across the Governing Body.
[3] Governors are required to include in their declarations material interests arising from relationships between Governors or Governors and school staff (Including spouses, partners and close relatives)
