Dear pen pal,

I am writing to you because we want to know about your school in India and we also want to tell you about our school in the UK. My name is Bella. I am a girl and I am eight years old. My school is called Wallace fields junior school and I am in year 3. My class is called 3D. My teacher is Miss Day.

I am ~~going~~ going to tell you about my school. My head teacher is Mr Lee. There are 8 classes and four year groups. We do fun things here like discos, sports day and Christmas lunch. My favourite part of the playground is the willow tree. My favourite lesson is art. The second most important person is Mrs Day.

The things I like about Wallace fields junior school is my friends they help me a lot. The other thing I like about the school is the music lessons I like playing instruments and making my own music.

Now I have some questions for you. At school I have pack lunch do you? What is your favourite lesson at school? What is it like being in India? Do you have any friends and if you do what are their names? Can't wait to ~~have~~ ~~have~~ hear from you soon
Bella
