Dear Pen Pak,

I am writing to you because we want to know about your school and also tell you about ours. I am eight years old and my name is Samuel. I live with my mum, my dad and my naughty, little sister. I am a Minecraft and my favourite sport is cricket. I have two pet fish called Thunder and Boulder.

Our school is called Wallace Fields Junior School. We ^{have} eight classes and four different year groups. I am in Year 3 and my class is 3D. It's called 3D because I'm in year 3 and the teacher is Miss Day. My favourite subject is history.

My favourite thing about school is learning because you learn more as you grow so if you don't learn you won't grow. There are also some really good lunches like pizza and burgers and sausage.

Now I have a few questions for you.

What's your name? Do you play Minecraft? What do you do at school? Do you have any pets? What's your favourite subject?

That's all for now. Samuel
