Dear Buddy,

I am writing to you because we want to know about your school in India and we also want to tell you about our school in the UK. My name is Harper and I am 8 years old. Our school is a Junior school and I am a part of 3D. I have an older brother and I live with him my mum and dad. I have two cats called Bentley and Madison.

I am now going to tell you about our school in Epsom. Our school is called Wallace Fields Junior School and we have 8 different classes and 4 different year groups. I am in Year 3 and our class is called 3D. This represents our year group and our teacher. In our school we have lovely teachers which include Miss Day, Mr Taylor, Mr Lee and Mrs Day. Miss Day and Mr Taylor teach our lessons.

I really enjoy art and PE at WFJS because in art we get to be creative and use lots of colour. In PE we get to do lots of different sports. I also like the trim trail because we get to climb and swing on things. I like the teachers because they are kind and helpful to me. I like lunchtimes because when it's hot we get to have the sprinklers out.

Now I am going to ask you some questions. What is your

name? Do you have any school pets? What is it like living in New Dehli? What dose ASN stand for? And whereabouts is your house?

I hope to hear from you soon.

Your sincerely, Harper
