

Mandarin Club — Autumn 2022

Thursday 3:30pm --4:30pm/ All Beginners

Dear Parents/Carers

I will be running a Mandarin club for all junior year groups. It will be after school and starts from Thursday 15th September to 15th December for 13 sessions (there will be no club on 27th October as that is half term).

Your child will learn Mandarin speaking, writing in a fun way. They will find that speaking Mandarin is easy. They will learn some Chinese culture through my lessons. And it is a very good chance to experience calligraphy, Chinese traditional painting and Chinese poems...

If your child is interested in taking part in a Mandarin club, please email me directly and give your child's details including: Name, year group and class, parent/guardian name, contact number and email, allergy or health information. Please tell me if you give permission for taking pictures, which just be used internally to show you or their teachers progress.

Mandarin club fee: £8/hour, 13 session for £104 (Please email or message me for bank transfer details)
