

Maths Update 2022-2023

Miss Katie Sarjeant
Maths Lead

Highlights from last academic year

Last academic year

- > Engagement and enthusiasm around STEM with workshops, visits and calls
 - > Celebrating maths in our school and recognising the attainment and progress of our children (TTRS monthly awards, Mathletics Celebration)
 - > Challenge across the school and a clear mastery approach
 - > Working with local infant schools and secondary schools to look at consistency, progression and developing knowledge and understanding at KS2

This academic year

- › More STEM calls with SDP team and making the link between STEM subjects even more explicit
- › Continuing a celebration of maths with MoneySense workshops (internally run with volunteers)
 - › Focus on how to educate ourselves and support our children with maths anxiety (Staff training/Parent workshop/Child workshop)
 - › Continuation of SNAP maths and Number Sense intervention for targeted children
 - › Continuing to promote challenge across the school with an embedded mastery approach
- › Working closely with Maths Hub (Jo Cullen - Primary Maths Lead) to provide CPD and current thinking on maths
- › Research project with Mathletics (on-going) into best ways to support children with their learning at home

Autumn 2022

Wallace Fields JS @wallacefieldsjs · 14 Oct
 An exciting STEM call for Year 4 and 5 today with Ian, who is an engineer. We are learning lots about space, forces and turning our imagination into a reality!

Wallace Fields JS @wallacefieldsjs · 23 Sept
 Year 5 hard at work cracking Roman numeral codes in maths this morning 🧮🧮🧮🧮🧮🧮

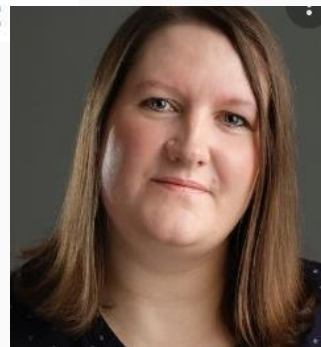

Wallace Fields JS @wallacefieldsjs · 16 Sept
 Year 5 maths investigation alert! 🧮🧮🧮 We're outside measuring and counting in sequences - there's lots of excitement! $- + \div \times$

Wallace Fields JS @wallacefieldsjs · 07 Oct
 Amazing 3D shapes projects taking 'shape' in Year 6 this week! 🧮🧮🧮

Wallace Fields JS @wallacefieldsjs · 03 Oct
 Year 3 learning about money with visitors from NatWest today. Thank you so much for the excellent workshop and helping us learn how to use money. 🧮🧮🧮
