## Monitoring, Evaluation & Review Policy

This policy underpins all the policies of the school and is a means whereby we ensure the quality of all that takes place at the school.

### Aims

The overriding aim is to ensure continued school improvement through a cycle of plan, do & review (Intent/Implement/Impact). In particular:

- Enable the school community generally to support children at Wallace Fields Juniors in the preparation for adult life
- To review progress of school development priorities
- Analysing of results to support improvement in standards
- To provide information to help guide the formulation of a new school development plan
- Ensuring that the school policy and practice is implemented consistently
- Share good practice between members of staff
- Ensure the school is well led and managed at all levels.

### Objectives

More specifically:

- To monitor, evaluate and review pupil progress and attainment as described in our assessment policy
- To set meaningful school and individual pupil targets on the basis of teacher assessment supported by contextual and statistical data
- To involve children and parents in the target setting process in order to give clear direction for future efforts and emphasis
- To compare results with similar schools using the Pupil Asset, Arbour & IDSR
- To evaluate school effectiveness regularly at staff meetings, each half term at an individual teacher level, on an annual basis using the results from teacher evaluations and governor evaluations, every two years from the children and parents
- To use the performance management and staff development review cycles as a productive method for supporting and developing individual members of staff (PRP / Teacher profiles)
- To support subject leaders in the monitoring of their areas through book looks, observations and support team meetings
- To ensure that every aspect of the school is managed in such a way as to bring the maximum benefits to the children's learning and achievement
- To involve the Governing Body – enabling them to fulfil their role

### School Development Plan (SDP)

The major vehicle for school improvement is the School Development Plan. This covers in broad terms a period running from September to July. The monitoring, evaluation and review procedure informs this plan.

The SDP is monitored at each governors' meeting. It is evaluated and reviewed each term. All subject leaders are responsible for drawing up action plans for their subjects and teams, etc. The Headteacher is responsible for the SDP. Team Leaders and Senior Leadership team (SLT) are responsible for drawing together action plans and presenting the completed document by the beginning of each academic year.

## Sources of Evidence

In order to monitor, evaluate and review the quality of the school, we will tap into the wealth of evidence available to us. The list indicates most, but possibly not all of the sources to hand.

### Written Evidence

Test results

## Key Responsibilities

### Headteacher

Planning	Check online of weekly planners and timetable every Thursday or Friday of previous week on the OneDrive. Half-termly snapshot each term by subject leads.
Focus observations & Learning Walks	Visiting classrooms. Individual feedback & any school issues to all staff. Regular Learning walks with a given focus.
Performance management observations and review meetings	To include the Headteacher, Deputy, SENDCO & School Business Manager (SBM)
Curriculum Leader meetings	Discussion with subject leaders as to progress of the subject – review of documentation as well as focusing on particular areas of development in line with the SDP
Book Looks	Each month to see a range of work from one child in each class for the purpose of encouraging, monitoring & evaluating. Feedback to individual teachers as appropriate.
Data Analysis	Teachers and pupils generate individual targets in writing & maths for all pupils in Autumn Term (maths following tests and English from Grammar survey) targets following mid- year assessments (Spring term) & tests in the summer term
Evaluations	Termly evaluations to the Governors. Annual evaluations from subject leads. Biennial evaluations from parents & children. Annual evaluation from Governors.

## Deputy Headteacher

Planning	n/a
Focus observations	Visiting classrooms to observe
Performance Observations & review meetings	Observation of team, review meetings and target setting meetings
Governing body	Report to the Governing body
Book Looks	(See subject leader section)
Data Analysis	Preparation for target setting through collection of assessment information for sharing with Headteacher & SLT
Evaluations	Review performance management individual targets (PM / Teacher profiles) Shared area PM file (secure)
Marking	Termly check of marking and assessment across the school including use of the agreed assessment system (Pupil Asset)
Observations of NQTs	Termly
Target setting discussions for NQTs	Termly
Feedback to Headteacher on NQT progress observations.	Termly

## Subject Leaders

Subject Leader observations	According to the SDP timetable – spread between year groups using observation sheet- see appendices 1 & 2
Staff Meetings	Discussion, planning, auditing & feedback in relation to practice across year groups and subject updates
Assessment	Copies of completed assessments copied to subject leader from observer to enable them to keep an overview of standards & monitor progress
Evaluations of progression maps	Reviewed annually and updated on website
Book looks & planning	Studying samples of work from three targeted children from each class to check coverage, differentiation, progress and presentation. Report sheets kept in own subject file in PM file online (shared area secure)
Core subject leaders analysis of National Test Data (SATs)	Annual analysis of National Test results (SATs)& summative test results when appropriate

### Line Managers (SLT)

Meetings	Weekly Senior Leadership Team (SLT) meetings- Line managers who are SLT only
Setting targets	Set targets for future
Classroom observations	Carry out subject specific observations and general observation of their managed staff
Reviews	Subject leader review

### Class Teachers

Teaching Assistants & HLTAs	Regular review to discuss & negotiate role within and outside of the classroom
Supply of information	To provide books and assessment information as requested
Assessment	To maintain teacher assessments in line with school policy
Targets	Pupils to generate individual targets for writing & maths. Teachers to check these and feedback to parents in Parents' evenings and reports.

### SENDCO

All children on SEN register	Ensure class teachers write EHCP and SEN support plans
Statemented children	Organise EHCP and SEND support
Whole school	Update and maintain provision map and support
Governors	Liaise with the Governor for SEN and produce a termly SEND report to governors.

### Governors

Governing body review of subjects	Attendance by subject leaders as invited or required for discussion of planning, progress and standards
Observation schedule by English & Maths governors	Observing to an agreed focus and following the code of conduct
Observation by governors	Governors into School weeks and random visits welcomed and encouraged.
Monitoring by the Governing body	Receive a progress report following year assessments including the National Test Results (SATs)

### Parents

Monitoring of own child's work	Termly consultation evenings/reports
	Receive annual report in the summer term

## Children / School Council

Monitoring effectiveness of school	Pupil voice questionnaires
Ensuring pupil voice	Regular (monthly) School Council meetings. School councillors review and discuss issues raised at school council. HT reports to governors' key changes implemented by school council.
	School Council minutes sent to FGB and CTs. Copy to all councillors including next meeting date.

## Summary of Monitoring, Evaluation and Review

### Monitoring

- Of planning by Head, Deputy, SLT & Subject Leaders
- Classroom observations by Head, Deputy, Subject Leaders & Governors
- Of children's work by teacher's Head & Subject Leaders and Peers
- Of children's work by parents (parents' evenings)
- Of assessment by Head, Deputy & Governors
- Of data by Head, Deputy, Subject Leaders, Governors
- Of Head's performance by the Governors and SIP (Inc. Chair of Governors)
- Of teaching performance by Head & Subject Leaders
- Of support staff performance by Head, SENDCO & School Business Manager (SBM)
- Of the School Development Plan by the Head, Governors & Deputy
- Of Health & Safety by the Head, Governors & Caretaker
- Of Finance by the Head, School Business Manager (SBM) & Governors
- Of Premises by Head, Caretaker & Governors

### Evaluation

- Of children's work by Teachers, Subject Leaders & parents
- Of pupil progress by Head & Deputy, Maths & English Leaders

### Review

- Of teaching & learning by Headteacher, Deputy Head & Subject Leaders
- Of the curriculum by the Head, Deputy Head, Subject Leader & and SLT
- Of the Head's performance by the Governors
- Of support staff by the Head, SENDCO & School Business Manager (SBM)
- Of teaching performance by the Head & Subject Leaders
- Of the long term premises needs by the Head, Caretaker & Governors
- Of the long term financial needs by the Head, School Business Manager (SBM) & Governors

In deciding upon regular formal monitoring mechanisms, it is important to select strategies that are effective. For example, taking in samples of children's work across a year group or school for scrutiny by curriculum leaders is often a superficial exercise. Without the teacher present and the corresponding weekly plan, sampled work can have too many missing factors for any worthwhile or rigorous judgement to be made. Combining monitoring mechanisms makes monitoring more satisfying and effective because the links can be made between planning, subsequent learning, work products and targets.

### Observation Guidance

At Wallace Fields, our observations are intended to assist the process of school improvement and professional development. They are conducted in a positive manner which seeks to acknowledge good practice, whilst identifying areas for support and development.

There are six types of observations from which form part of our annual cycle:

1. Observations are part of performance management involving team leaders observing members of their team. The focus for these relates to the objectives highlighted during the objective setting meetings. Copies of this are kept by the team leaders, reviewee and Headteacher.
2. Observations by subject leaders. These are used to increase awareness of the progress and delivery of their subject across the school and specifically the standards which children are achieving. They have an agreed focus, which is linked, to either whole school or year targets and / or school development plan priorities. Copies of observations are kept by the class teacher, subject leader and Headteacher. {The Headteacher and SLT will conduct a series of joint observations with subject co-ordinators to establish sharpness of approach and uniformity of approach}.
3. Classroom visits by the Headteacher and Deputy. These provide snapshots of specific priorities as identified. They are designed to help the Headteacher keep informed about standards of teaching and learning, the implementation of policy and what's going on in school generally. A report will be provided for staff.
4. Observations of ECTs. This forms part of their induction programme and is carried out by the Deputy Head. Copies of recording sheets are kept by the ECT, Deputy Head and Headteacher.
5. Observations by Governing Body. Following the agreed code of practice, Governors visit a selection of year groups to up date them on current practice in a subject or others school policies according to an agreed focus. The information gained is fed back to the Governing Body. A record of all governor visits and observations is kept on the One Drive.

There are differences between different types of observation and recording, storing and sharing information. However, there are some common principles:

- We embrace the opportunity to share good practice and support one another in our development
- Formal observation will not exceed 1 hour per term
- Feedback should be given as promptly as possible. Opportunity should be given for a professional discussion to take place following feedback that includes the views of the observed person.
- Any written information should be kept confidential within agreed parameters
- Suggestions for development should be accompanied by the identification of resources and support, where necessary

	<b>Lesson Observations</b>	<b>Monitoring Teacher Planning</b>	<b>Visiting Classrooms</b>	<b>Book Scrutiny</b>
<b>Purpose</b>	First hand observation of learning & teaching (inc. learning walks)	To ensure that teachers are engaged in effective & consistent lesson preparation	To provide feedback on the classroom environment and the extent to which it facilitates learning	To monitor the quality of pupil written work
<b>Benefits</b>	<p>To identify good or better practice</p> <p>To provide feedback on areas of agreed focus</p> <p>Quality assurance against Ofsted criteria</p>	<p>Can take place outside of lesson time.</p> <p>Planning is highly influential on lesson quality.</p> <p>A focus for the implementation of many whole school themes, clear objectives, differentiation, cross curricular links, etc.</p> <p>To highlight year team strengths/ deficiencies in this area</p>	<p>Can take place outside of lesson time.</p> <p>Possible to set up a more relaxed dialogue” seen as less threatening”</p> <p>Gives high profile to an important influence on pupil learning.</p>	<p>Can take place outside of lesson time.</p> <p>To assess the standard of work in comparison to national expectations</p> <p>With a carefully chosen sample, the work of a wide range of students can be sampled (gifted/talented, those with SEN, boys, LAC)</p> <p>To appreciate the extent to which planning and lesson delivery is impacting learning</p> <p>Could be linked to a supplementary exercise that involves discussions with pupils.</p>
<b>Barriers to be Overcome</b>	<p>Time intensive in lesson time, sometimes requiring cover.</p> <p>If observer is a subject leader (and not SLT) lines of accountability can be weak.</p> <p>Sensitivity needs to be shown during feedback.</p> <p>Training required in observational techniques.</p> <p>Reticence/ nervousness for the person being observed.</p>	<p>School expectations need to be clear: are teachers to produce individual plans to supplement those for the medium term?</p> <p>The teacher might not be directly responsible for the production of these medium term plans.</p> <p>Subject leaders need to establish a good relationship with the teacher in order to earn the right to establish this kind of dialogue</p>	<p>Whereas the observer might feel that this strategy is informal, the teacher in question might not view it this way! The status of the session (with notes to be taken, formal feedback given) needs to be made clear.</p> <p>A poor environment might be down to deficiencies in the school fabric that is outside of the control of the teacher.</p>	<p>This technique does not facilitate an appreciation of lesson outcomes for subjects</p> <p>To work well, the background/ prior attainment of the pupils needs to accompany the book work.</p>

	<b>Lesson Observations</b>	<b>Monitoring Teacher Planning</b>	<b>Visiting Classrooms</b>	<b>Book Scrutiny</b>
<b>Support Needed</b>	<p>A whole school commitment to the role of the leaders in the observation process.</p> <p>A whole school commissioning for subject leaders to focus on a particular aspect of teaching / learning, i.e. maths, science investigations</p>	<p>A whole school commitment to this process, in particular a shared understanding about the responsibilities of the year group and the teacher with respect to the production of planning documents</p>	<p>A structure within which this informal visitation takes place.</p> <p>Whole school guidance / expectations regarding classroom display / layout</p> <p>Funding and / or classroom support to bring about changes</p> <p>Good role models</p>	<p>Once again SLT will need to set up a whole school climate that allows the subject leader to undergo intimate monitoring of this nature</p> <p>A whole school procedure that results in a streamlined focused exercise.</p>
<b>Focus Questions</b>	<p>Do the lessons:</p> <p>Show clear evidence of planning?</p> <p>Show an appropriate rapport between teacher and pupil?</p> <p>Show that the teacher has a sound command of the subject matter?</p> <p>Demonstrate appropriate pace and challenge?</p> <p>Result in the achievement of clear learning objectives?</p>	<p>Do the plans:</p> <p>Identify clear learning objectives?</p> <p>Show differentiation and suggest an appropriate range of resources?</p> <p>Identify cross curricular links?</p> <p>Show imaginative, inspiring activities that are realistic and relevant?</p>	<p>Do displays reflect the topic that is currently being taught?</p> <p>Is the environment stimulating?</p> <p>Is the classroom arranged to facilitate learning at appropriate levels?</p> <p>Can children access the resources easily and re these adequately/ appropriate to the activity?</p>	<p>Is the marking purposeful and does it provide targets to help the child improve?</p> <p>Is the work of quality and meeting appropriately challenging but realistic targets for the child?</p> <p>Is planned work evidenced in student outcomes?</p> <p>Is there evidence of variety in work and teaching methods?</p>
