20 June 2025

Dear Parents / Carers,

I am writing to invite you to stand for election as a parent governor of Wallace Fields Junior School to fill two vacancies which arise in July 2025 (one on 8 July 2025 and the second at the end of term). A third vacancy will arise when a third governor's term of office ends on 21 October 2025.

The Governing Body at Wallace Fields Junior School provides support and challenge to the leadership of our School, supporting it to achieve the best outcomes for all pupils. All members of the Governing Body have three strategic functions:

- developing the vision, ethos and strategic direction of the school,
- holding school leadership to account for the performance of the school and staff
- ensuring sound, proper and effective use of the school's financial resources.

Governors are not responsible for the day-to-day internal organisation, management and control of the school.

Governance relies on a team approach with each individual contributing a range of skills and experience. No special qualifications or previous governance experience is needed to be a governor though we would particularly welcome experience or a background in safeguarding, strategy development, SEN or law.

There is lots of training available to support your development as a governor and you must be committed to completing safeguarding training at least annually and ongoing governor training as well as attending full Governing Body meetings and carrying out school visits to learn about the school as required. This governing body has an expectation that those new to governance attend complete induction training.

The small print- eligibility, requirements and procedure

The School Governance (Constitution) (England) Regulations 2012 summarises the eligibility criteria and circumstances under which someone cannot serve as a governor. In addition, parents/carers who have paid employment in the school for 500 or more hours per academic year or who are elected members of the Local Authority, are not eligible to stand in these elections. Nominations must be from parents (or carers/guardians) with children registered at the school on the day that nominations close. See summary on the website.

Brilliance, Equality, Learning for all, Inspirational, Enthusiasm, Vision. Every pupil matters

Governors must agree to abide by the Governing Body's Code of Conduct Information about being a parent governor, eligibility and the protocol for governor removal are provided for your information <https://www.wallacefields-jun.surrey.sch.uk/our-school/governors>. If elected, you will be subject to the Disclosure and Barring Service checks and Section 128 check.

If you would like to stand for election, please complete the enclosed nomination form and return it to the school by 3 pm on Friday 4 July 2025. You must include a short personal statement to support your nomination and set out your skills and experience, how you believe you can contribute to the future work of the Governing Body, confirm your commitment to undertake training and if you are a previous governor, details of your contribution to the work of the Governing Body during your previous term of office. Parent Governors can serve for a term of up to four years irrespective of how long their child remains as a registered pupil of the school.

If, at the cut-off date for nominations on 1 July 2025, there are more nominations than vacancies, a ballot will take place and I will advise you if this is to be the case. If that is necessary, voting papers will be sent to all parents together with details of the candidates and the ballot procedure. The ballot will close 10 days after ballot forms are issued, a count will take place and the result of the election will be made within 1 day of the count. All candidates are entitled to be present at the ballot count although you are not required to do so, and the result of the ballot is not affected if you do not attend.
