Dear Year 6 Parents/Carers,

17<sup>th</sup> September 2021

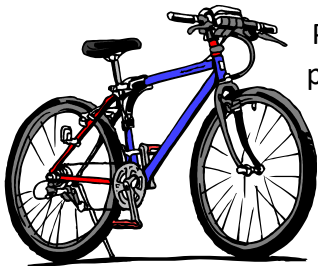

### **National Standard Level 2 Cycling Course (Bikeability Training)**

Each child in Year 6 is given the opportunity to take part in the Bikeability Training Scheme, which replaces Cycling Proficiency. After an initial talk by the Surrey Instructors the children will be taken in groups of up to six children to cycle on the local roads avoiding main roads.

The training will take place from either **week commencing 4<sup>th</sup> or 11<sup>th</sup> October 2021** and each course will include a maximum of **9 children**.

Please note that there is a charge of £15.00 per child for the training. Children who are eligible for Free School Meals (FSM) should pay £4. Please pay online as soon as possible to reserve your child's place. Full details of the Course can be found in the attached leaflet and letter from the Road Safety Officer.

**The Surrey County Council Consent form is also attached and should be returned to school by Wednesday 21<sup>st</sup> September, if your child wishes to be included in the training sessions, as we have to confirm numbers.** Please give to your child to hand into their class teacher.

Please let me know as soon as possible if your child is unable to participate at a particular time, due to a medical or dental appointment, so that the groups can be organised accordingly.

The children will receive a report at the end of the week outlining their strengths and weaknesses, to assist them in improving their road skills.

**Please take time to look through the bicycle safety check-list to ensure your child's bicycle is in good working order.**

Yours sincerely
