Life beyond WALLACE FIELDS JUNIOR...

Homework

Monday: English homework – every week

Wednesday: Maths homework – every week

Friday: Topic/Foundation homework – 2 times per
half term

SATS – in brief!

WB 11th May 2026

- Written test for Reading Comprehension
- Spelling, Punctuation and Grammar test
- Maths Arithmetic and 2 Reasoning tests
- Writing is Teacher Assessed through the year
- Additional support: children will be assessed in the Mock SATs in autumn and spring for access arrangements

During the Spring term and early summer, children will be given the opportunity to practise past papers in school. It would greatly help us if they did not practise these at home or use them for revision. The papers do not cover the whole curriculum – they are a snapshot and therefore the revision we do in lessons is far more valuable than previous papers.
