- ⇒ Staff will wear badges with their names on and visors will wear a lanyard round their neck.
- ⇒ Staff are checked before they start working in the school
- ⇒ The school has 2 key people in charge of safeguarding. Mrs Day and Mrs King. You can talk to them anytime.
- ⇒ Key staff are first aid trained.
- ⇒ If you have a playground problem, you can talk to any member of lunchtime staff. Mrs Friston is in charge of the playground. If you do not feel safe– tell someone.
- ⇒ At the end of the school day, your teacher will only let you go home if your parent or representative is waiting, or you have written permission to walk home in Y5 or Y6.

What can I do if I don't feel safe?

- ♦ Use the SEAL box in your classroom if you want to let an adult know in your class. They will check the box every day and come and speak to you to see if you are OK.
- ♦ Speak to any member of staff. They can pass on information to someone else if they cannot help you.
- ♦ Speak to a friend. Sometimes sharing a problem helps to sort out smaller problems.
- ♦ Speak to Mrs Day or Mrs King if the problem is quite a big problem, or you are worried about something at home. They are called the Safeguarding Leads and can help you, or get help from other places– especially if it involves your parents or family.
- ♦ Staff cannot promise to keep secrets, but they can promise to help you.
