

Science Club - Spring 2020

Dear Parents/Carers of Year 6 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

"Nothing in life is to be feared, it is only to be understood.

Now is the time to understand more, so that we may fear less"

Marie Curie - the only person who has won a Nobel Prize in two different sciences.

I have been teaching at WFIS and WFJS for over nine years (voluntary school-time sessions and school clubs) and previously lectured Applied Mathematics. I always find amazing how easily children learn when they are having fun.

Science Club will run on Thursday after school for 10 weeks, starting on 16th January. It will take place in **5C** from **3:30 to 4:30** and if the weather allows us, we will also have outdoor/messy/fun experiments.

If your child would like to join Science Club please complete the reply slip and return it to the school office by Friday 10th January. The total cost is £70.00 which includes all the resources needed for the experiments.

Yours sincerely,

Lorena Hernández

spanish.science@pobroadband.co.uk

I would like my child to join Science Club - spring 2020

I enclose cash/cheque* (made payable to L Hernandez-Ortiz) for the sum of £70.00

Child's Name..... Class.....

Before half term, my child will be collected by.....

After half term, my child will walk home/go to club vale/be collected as before*.

Signed Parent/Carer*..... Date.....

Complete the rest of the form if your child is joining for the first time or any details have change

I give/do not give* permission to take photos/videos of my child to be shown at WFJS.

Please inform of any medical conditions, dietary restrictions and/or allergies:
