

## Year 4 Science Club - Summer 2022

Dear Parents/Carers of Year 4 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

*"Nothing in life is to be feared, it is only to be understood.  
Now is the time to understand more,  
so that we may fear less"*

Marie Curie - the only person who has won a Nobel Prize in two different sciences.

After running an Upper School Science Club for 10 years, I will start a Year 4 Science Club. This term, due to the uncertainty brought by Covid-19 I will run the club voluntarily. It will take place on **Tuesday** at lunchtime, **12:30 to 13:00** for 8 weeks starting on April 26<sup>th</sup> - there will be no session on June 21<sup>st</sup>; classroom to be confirmed.

In order to cover the cost, a voluntary contribution of £10.00 per child will be used to buy the materials needed for the experiments. To book a place for your child, please send payment and details by Friday 22<sup>nd</sup> April 2022:

On-line payment to L Hernandez Ortiz  
account number 13617521  
sort code 20-29-90  
ref: Y4 Science + your child's surname  
amount to pay: £10.00

Otherwise, please hand cash or cheque  
to the school office with your child's  
name and e-mail me their details.

E-mail:

- their name
- class
- medical conditions, dietary restrictions and/or allergies
- if photos and videos can/cannot be taken - to be shown only at WFJS
- your name
- your emergency contact number

Yours sincerely,

Lorena Hernández
