

Year 6 Science Club - Autumn 2022

Dear Parents/Carers of Year 6 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

*"Nothing in life is to be feared, it is only to be understood.
Now is the time to understand more,
so that we may fear less"*

Marie Curie - the only person who has won a Nobel Prize in two different sciences.

Science Club will run on **Thursday after school** for 11 weeks, starting on September 15th - there will be no session on October 20th. It will take place in the **ICT Suite** from **3:20pm to 4:20pm** and if the weather allows us, we will also have outdoor/messy/fun experiments. All the resources needed for the experiments are included.
