

Year 6 Science Club - Summer 2022

Dear Parents/Carers of Year 6 children,

Why study science? Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is a way of discovering how things work today, how they worked in the past, and how they are likely to work in the future.

"Nothing in life is to be feared, it is only to be understood.

*Now is the time to understand more,
so that we may fear less"*

Marie Curie - the only person who has won a Nobel Prize in two different sciences.

Science Club will run on Thursday after school for 7 weeks, starting on April 28th - there will be no session on May 19th. It will take place in the **ICT Suite** from **3:20pm to 4:20pm** and if the weather allows us, we will also have outdoor/messy/fun experiments. All the resources needed for the experiments are included.

To book a place for your child, please send payment and email their details by **Monday 25th April**

On-line payment to L Hernandez Ortiz
