Science Club - Autumn 2021

Dear Parents/Carers of Year 6 children,

Science helps satisfy the natural curiosity with which we are all born: why is the sky blue, how did the leopard get its spots, what is a solar eclipse? Science is our knowledge of all the *stuff* that is in the universe. Science is chemistry, physics, biology, medicine, astronomy and much, much more.

"Nothing in life is to be feared, it is only to be understood.

Now is the time to understand more, so that we may fear less"

Marie Curie - the only person who has won a Nobel Prize in two different sciences.

I have been teaching at WFIS and WFJS for over ten years (voluntary school-time sessions and school clubs) and previously lectured Applied Mathematics. It is amazing how easily children learn when they are having fun.

This term I will run Science Club voluntarily due to the uncertainty brought by Covid-19. It will take place on Thursday after school, 3:20pm to 4:20pm for 8 weeks starting 23rd September - there will be no session on 21st October, classroom to be confirmed.

In order to cover the cost, a voluntary contribution of £10.00 per child will be used to buy the materials needed for the experiments. If your child would like to join, please complete the reply slip and return it to the school office by Monday 13th September 2021 with your contribution.

Yours sincerely,

Lorena Hernández

spanish.science@pobroadband.co.uk

I would like my child to join Science Club - Autumn 2021

I enclose cash/cheque* (made payable to L Hernandez-Ortiz) for the sum of £10.00

Child's Name..... Class.....

My child will walk home/be collected/go to club vale* after science club.

I give/do not give* permission to take photos/videos of my child to be shown at WFJS.
