

Ufton Court!

KQ: Why do we explore?

How did we do this? What do we need? What was so special about a Viking long ship? Learn about how widely we Vikings explored/travelled and how we traded (including their intimidation tactics). We also learn that we Vikings would be open to being 'bought off' with Danegeld. Why would we do this?

KQ: How do we fight?

How do we Vikings fight? What skills do we need? What weapons are used and why? Men (warriors) and women (shieldmaidens) were trained to fight, if they were strong and fit – that's all that mattered. We learn key battle skills and train, ready for battle again. Learn about calling upon the gods and the glory of dying in battle
