

Dear Arthur, my dog

I love you because you always come to me.

And when I'm sad you make me laugh

You are so cute and fun and silly.

And ~~you~~ always let me use you as
a pillow

When I throw your ball you always bring
it back to me

If I tell you to "give" you drop the
ball

And then I see your huge teeth and
know you are smiling

Lots of love Ethan XXX
