

Valentine's Poetry Competition

Valentines day:

It's the day!
The day of love and smiles and roses,
When the colour red is sacred,
And there's no such thing as hatred,
And when Cupid feels more gifted,
Valentines day,
The time where there's no delay,
For hearties and lollies,
Valentines day,
When there's not tiny portions of love but trollys,
And even when the day is done,
We'll still appreciate him,
St. Valentines,
And get ready to burst with love for the next,
Valentines day.
