HEAD'S UPDATE

My huge thanks must go out to the PTA and all the parents and carers who got involved in helping with the **Summer Celebration Jubilee Fair**. It was only made possible with a huge amount of effort and we are sure it will be a great success.

The PTA also presented every child with a high quality Wallace Fields Junior Jubilee Pin Badge to keep as a memento of this historically significant event and the children were very excited and pleased with them.

I also want to say thanks to the teachers and staff who have been so very busy in the last couple of weeks and the school's level of excitement, fun and positivity just keeps rising.

Science Fair – set up by Year 5, was an absolutely mind-blowing event and the quality of the presentations was at an all-time high. The Year 5 parents flooded in to have a look this morning and all classes had an opportunity to visit.

The visiting **Escape Rooms** was also very popular and I am very proud of the children and their efforts, their active involvement and their ever growing commitment to learning more and problem solving. It was a great learning experience.

Volunteers – with Covid restrictions behind us and school functioning at full steam we really need our volunteers back in school. If you feel you could offer a small but regular time to hearing children read, helping with class preparations or supporting the staff team then you are very welcome and you will find it very rewarding. Many of our volunteers have stayed on long after their children have moved on as they have loved helping so much. Please contact the main office if you are interested, making that extra bit of effort to give something back to the school is much appreciated.

Staff Farewell: We would like to say good luck and farewell to Miss Birch who is moving away to be by the seaside. She has been a wonderful member of the teaching team and will be sorely missed. Miss Birch joined the school during Covid times and coped tremendously well with all the stresses and strains that this put upon the school teaching load. Miss Birch will be hopefully continuing her teaching career in her new town and we wish her all the very best for the future.

Staff Welcome: We welcome Mrs Sonnex and Mr Shimell as new Teaching Assistants at Wallace Fields Juniors. They will be starting later this term and they will soon be part of our friendly, happy and caring team.

Thank you again for supporting the summer fair – every penny raised will go into the PTA fund to ensure the school is further improved and the children's experience gets better and better.

THIS WEEK

YEAR 5 SCIENCE FAIR

Year 5 have again excelled themselves with some amazing science fair experiments for their science fair. It was lovely to see the Year 5 children talking so enthusiastically about science to the Year 5 parents and the other year group children. We saw lots of future chemists with many

experiments on chemical reactions and future environmentalists with lots on sustainability. Hopefully you got a chance to visit during the School fair.

LIBRARY GRAND OPENING

On Thursday 9th June we held a grand opening of our library. The biggest donors to the library fund were invited as well as local children's author (school parent and school book club leader)

Stephanie Clarkson. Children from every year group gave readings and 40 parents listened to the live streamed event. Unfortunately, the mayor was unable to attend due to ill health so a huge thanks to the Deputy Chair of Governors Gareth Moore who stepped in at the last minute to cut the ribbon.

SCHOOL FAIR

All year groups sang their hearts out at the opening of the school fair. We were impressed to see the entrepreneurial spirit in full flow with the children who have hired a stall to sell their home-made wears. Thank you to all the parents who donated the sweets, bottles and cakes. Thanks to the PTA including:-Jade Dodd, Tala Kamourieh, Karen Martin, Tamsin O'Sullivan, Poonam Chhatralia, Claire Watson, Jo Wright, Lisa Silander and Mr Cooper (and many others) who spared many hours setting up as well as the parents who helped on stalls during the fair. We hope you are having a lovely evening tonight.

LEAVERS' HOODIES HANDED OUT

Thank you very much to Mrs Wilson and Mrs Martin for organising the Leavers' hoodies.

IMPORTANT

HOMESTART PARENTING WORKSHOP

We are delighted to welcome Leslie Lane from Homestart to deliver a parenting workshop on the pre-teens years in the Wallace Fields Junior School hall on **Tuesday 14th June 9 am–11 am**. All parents and carers are welcome to come along and watch from 9.30am. Please ensure your child wears a **hat or cap** if it is hot and you **apply sun barrier cream** before leaving home. It would be great if children could bring in a **t-shirt in their house colour** to wear on the day. All

children must bring in a water bottle. Please do not bring snacks and drinks for your children. If you could **help serve with the water bottle refill station** then please email Mrs. Day at ADay@wallacefields-jun.surrey.sch.uk

PARENT HELP NEEDED

We are looking for parents/carers who can speak some basic French to **help role play a French stallholder for a Year 6 French market**. Parents/carers of children of any year group would be welcome. GARDENING CLUB DAY CHANGE

Next week, gardening club will be held on Monday 13th June at lunchtime rather than Tuesday 14th June as the gardening club leader Mrs Dodd is away.

YEAR 6 ROSEBERY SUMMER SCHOOL

We are aware that Rosebery Summer School clashes with the last two days of term. If parents/carers wish to take their child out we will authorise this though they may miss some of the leavers' events which would be a shame. Mr Lee did contact Rosebery to ask if the date could be re-arranged to inside the summer break but was told that this was not possible.

YEAR 6 LEAVERS' YEARBOOK

The Year 6 Leavers' yearbook will be going to print on Monday 20th June. It is being proof read next week while the children are in the Isle of Wight. The cost per copy of the Yearbook is £14. If you would like a copy, please pay by Tuesday 14th June via the COLLECTIV payment app (link below) set up by Caroline Marginson (Emma's Mum). <https://pay.collectiv.com/year-6-year-book-2022-73555>
If you have two children in the year, you might consider purchasing a copy per child rather than one to share, as there are pages for them to enter personal information and collect messages and autographs, but obviously it's up to you. Please bear in mind we cannot do add ons or print further copies if you change your mind and need an extra copy after the payment deadline. Thank you for all your work in ensuring this is a keepsake the children will treasure. Kind regards, Stephanie Clarkson (Merryn's Mum)

CHANGES TO YEAR 4 HOMEWORK

This consists of 6 questions where the children can practise their spelling, punctuation and grammar. We are doing this in order to prepare the children for Year 5, where they will be doing SPAG Mats as regular homework from September. Mathletics / Times Table Rock Stars homework will remain the same. All homework will be set on a Wednesday. Maths is due on the following Monday like usual and SPAG Mats will be expected to be handed back into the class teacher on the following Wednesday (giving the children a week to complete their SPAG Mat). Thank you!
