HEAD'S UPDATE

It has been another great week and it is ending on a high with the Sports Relief Fun Run. It was great to see more sporting events go ahead this week, with other schools from across the borough, and we look forward to even more football, netball and tag rugby fixtures.

THIS WEEK

COMIC RELIEF FUN

Today, Friday the 18th March, we joined the nationwide fundraising event of Comic Relief. During the afternoon the children took part in an active fun run which, thanks to the PTA, ended with an inflatable assault course.

Children were allowed to wear fun, sporting clothes to school and we ask they bring in a donation. 50% of the funds raised will go to the PTA and 50% will be sent to Comic Relief. Have a look at our Twitter page for more photographs of the day.

SCHOLASTIC BOOK FAIR

Thanks to all parents for supporting the book fair. Our fair raised approximately £650, which we spent on class reading books and library books.

ENERGY KIDZ WRAPAROUND CARE AT WFJS!

Are you looking for age appropriate seamless wraparound care? Do you want child care that is personalised and professional? **Energy Kidz** provides wrap around care inside Wallace Fields Junior School. Children can go straight from clubs to Energy Kidz! There are still some places available at Breakfast Clubs (7:30am until 8:45am) and after school clubs (3:20pm until 6:00pm). To book please login/create an account and secure your place online by [clicking here](#). **Customer Service Team** are also available between 8am – 6pm and their contact details are as follows Email info@energy-kidz.co.uk Tel: 0333 577 1533. For more information [click here](#).

NEXT FEW WEEKS

WHISKERS AND EARS DAY

Next Friday 25th March, to raise money for our wellbeing guinea pigs we are having a whiskers, nose and ears day where the children come in school uniform with a twist! Or some fur! We ask for a £2 donation to cover the cost of buying them and their home. We are all very excited about their imminent arrival.

SIGN UP NOW FOR EXCITING PTA EVENTS

Tickets went on sale today for the **PTA Race Night** on Friday 6th May 2022. The PTA are also thrilled to welcome back Happy Circus to Wallace Fields Junior School this year and tickets go on sale on Friday 25th March. **Tickets for both these events are limited so don't hesitate, book as soon as possible.**

YEAR 4 DESIGN & TECHNOLOGY WEEK

Remember that on Thursday 24th March Year 4 will be baking muffins for Design & Technology. The school will be providing most ingredients but please do not forget to bring in ingredients for extra additions and equipment as was listed on a homework that was sent home this week. All equipment must be named where possible and every child must bring in an apron. The children will have agreed on an extra ingredient to provide if possible- this only needs to be about 100g. We will be unable to wash up the equipment as we do not have the facilities, but we will wipe them all down as best as we can. Children will be working in pairs and will make about 10 muffins to share between them both. We do have some spare equipment, so please do let us know if your child has offered something you do not have. Additionally, if your child is allergic to egg, flour or milk, teachers will be in contact to work out an alternative and a plan on how to keep them safe whilst baking, but do feel free to contact us beforehand. As a reminder, please do not bring in nuts, or anything that may contain nuts as the additional ingredient. Thank you.

YEAR 5 DESIGN & TECHNOLOGY WEEK

Next week in Year 5 we will be making biscuits as part of our D&T topic. The school will provide most of the ingredients, but please don't forget to bring in a plastic bowl, plastic spoon, Tupperware box, grease proof paper, scales and any additional ingredients. Please ensure all items are named. We are planning to make the raw biscuit dough next Thursday afternoon at school, ready to be baked at home that evening with adult supervision - instructions will be provided, but they will take about 10-15 minutes. The children will be evaluating their biscuits in the following lesson. As a reminder, please do not bring in nuts, or anything that may contain nuts as the additional ingredient.

YEAR 6 HOT CROSS BUNS

Please do not forget Year 6 will be making hot cross buns as part of our Design and Technology topic. We are planning to make the dough on Wednesday 23rd March 2022, ready to be baked at home. If possible, we would also like the children to upload a photo of their finished creations to Google Classroom once they are made (and before they are eaten!). An ingredient and equipment list has already been sent home. Please ensure equipment is named. As a reminder, please do not bring in nuts, or anything that may contain nuts as the additional ingredient. Thank you.

CHANGE TO SCHOOL MEALS REQUEST

If you wish to change your child to a school meal after Easter please email csewell@wallacefields-jun.surrey.sch.uk by Friday 25th March 2022. If your child requires a special diet, please also [click here](#) and complete the attached form as well as informing the school office. To see the menu for next term [click here](#).

SPORTS

TAG RUGBY MATCHES

This Thursday 17th March we took our year 3 and year 4 tag rugby teams to the district tournament at Priest Hill. There were 8 schools in each year group, all very excited to be competing in tournaments again after a two year break! The year 4 team had a tough afternoon as they were without subs due to illness. They played really well but did not progress to the second stage. The year 3 team had more luck and battled their way through to the final where unfortunately they lost by just one try! The children were all brilliant and hopefully had a great experience. Many thanks to Mr. Watson who coached and managed the year 3 team.

Next Thursday we go again with years 5 & 6..... good luck everyone! Training for years 5 & 6 will be at lunchtime on Wednesday 23rd March so please do not forget a change of trainers/rugby boots. Thank you
Mrs Wilson

YEAR 4 FOOTBALL CLUB NEWS

There is no Year 4 football squad training on the last day of term Friday 31st March though football training will continue summer term. We are currently awaiting dates for matches from The Greville School Ashted, rematch against St Martins and Gemini Albion a team in the Epsom and Ewell Youth League. We hope these matches will all take place in summer term.

CLUBS

CLUBS AFTER EASTER

Clubs timetable and all club letters (except for science & Spanish & ball room club letters) were sent out today. They are also available on our [clubs page](#) on our website. We have some new exciting clubs starting after Easter:

- **Tennis club** is back on Monday and Wednesday mornings.
- Mr Sellars will be running an **athletics club** and **cricket/rounders club**.
- We are launching a **ballroom dancing club** but your child will find out more about it next week when all children will get a chance to have
- We are launching a new **coding club** called Code Camp on Mondays after school.
- A **year 4 science club** is starting after Easter.

There will be no cookery club, tag rugby, upper school football squad training, and netball squad training during the summer term.

BALLROOM DANCING CLUB

Exciting news ballroom dancing club is coming to Wallace Fields Junior School. All children will be getting a free taster session at the end of term on our Wellbeing Day and then those interested will be able to sign up and pay for this before school club.

YEAR 4 SCIENCE CLUB

We are very lucky that Mrs Hernandez has offered to extend her expertise and very popular Science Club to Year 4. It will take place at **lunchtime on a Tuesday** for 8 weeks, 12:30pm to 13:00pm, **starting on 26th April** (there will be no session on 21st June); classroom to be confirmed. In order to cover the cost, a **voluntary contribution of £10.00 per child** will be used to buy the materials needed for the experiments. **To book a place for your child, please send payment and details by Friday 22nd April 2022.** A ParentMail was sent out earlier this week to all Year 4 parents and carers with the details for payment and contact.

FEEDBACK FROM HEAD ON QUESTIONNAIRE RESPONSES

Bullying – In response to the question “Does the school deal with poor behaviour and take bullying seriously?” Four parents/carers felt we did not. The school does take bullying very seriously and we have in place many systems and safeguarding measures to ensure that all levels of misbehaviour are dealt with and we work to ensure the children feel safe and happy in school. We encourage children to report any incidents immediately and to use the Mood Box or tell a member of staff – rather than take an issue home where time passes and investigating an incident fully and effectively becomes much more difficult.

We are very fortunate in that we have strong parental support regarding behaviour and respectful attitudes and therefore levels of behaviour are outstanding, so please encourage your child to raise their concerns or worries when they happen. Even if it is not a regularly occurring issue (bullying), feelings such as worrying about friendships, home life or self-esteem are the key things we always want to be there for the children with. All the children explore these issues in discussions during PSHE lessons and Circle Time.

PSHE and Circle Time: The timetable is also reactive so that certain topics can be discussed if there has been an issue in class or in school that week. The children discuss consent and talk about how they can have the say in who they socialise with and how they interact with others. This also covers important safeguarding topics such as inappropriate touching and personal space. Learning not to diffuse unkind words as ‘banter’ and encouraging a clear concept of mutual respect. This all goes to equipping them for high school and for adult life beyond that.

COVID REMINDERS

WHAT MEASURES ARE IN PLACE IN SCHOOL

We are experiencing a rise in Covid cases across the school and in staff now. We have increased cleaning levels, we continue to encourage children to wash hands regularly. We continue to keep classes well ventilated and will keep internal doors open where possible. Whole school assemblies are suspended for the time being and we have reverted to virtual assemblies.

WHAT YOU CAN DO AT HOME TO HELP PREVENT THE SPREAD OF COVID

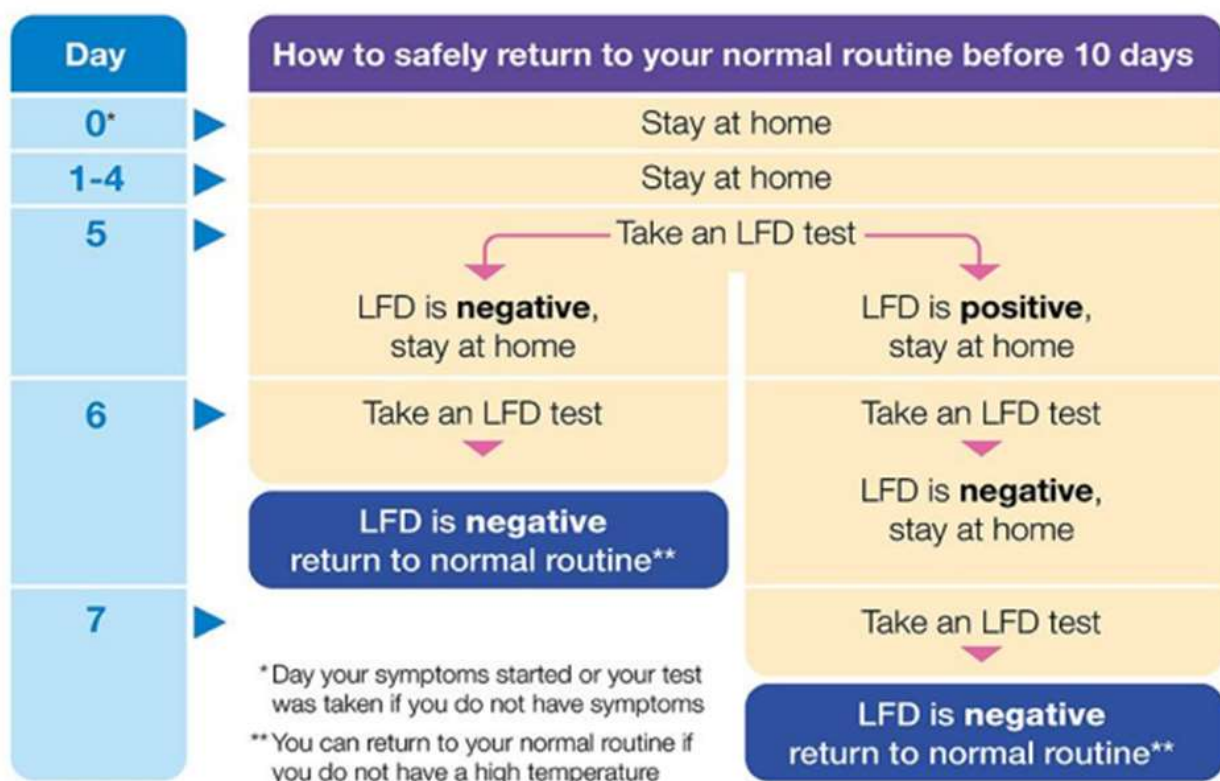

- Please remain vigilant to symptoms and keep your child at home if they complain of feeling unwell.
- Please test regularly with a lateral flow device (LFD) until your child feels better, as it sometimes takes a while for the test to indicate positive.
- A positive LFD is a sufficient indicator of positive Covid and a PCR test is not required.
- Please let the school office know if your child is unwell and if your child has tested positive or negative on LFD.

- Pupils who have Covid-19 should not attend school whilst they are infectious. Instead they should remain at home and avoid contact with others and remote learning will be provided from their second day of isolation, for a maximum of 10 days. See the useful flow chart about how your child could return earlier if they have two negative Covid tests.
- If a pupil is a close contact of someone with Covid, or if a member of your household has Covid, pupils are expected to continue to attend school. However we would ask that if possible, the child minimises their contact with the person who is infected and you remain particularly vigilant to symptoms and take regular lateral flow tests.

COMMUNITY

Family History - Wednesday 6 April 2022 2pm to 3pm

Have you ever wondered about your family story? Your family history is like a dark room full of your past relations hidden in the shadows. Learn how to bring these people into the light.

David Brooks will explain how to trace your own family's history, using photos and information that he has collected over many years about his own.

By using certificates, parish records, the census, military records, and family stories you can piece together the jigsaw puzzle that makes up your family's story and make your own discoveries about their work and how they lived.

David has traced part of his family back to Tudor times - how far back will your search take you?

The Normans - April 9 2022 11.00am to 12.30pm, 1pm to 2.30pm

How did it feel to be a Norman soldier at the Battle of Hastings? What was it like to attack the Saxon shield wall and face King Harold's handpicked body guard of Housecarls?

Discover how the Normans won the nine-hour battle, changing the history of England for ever.

See the Normans' weapons, swords and helmets and follow the path of William as he came up to London using the Roman road Stane Street after the Battle. He may have watered his horse at the spring at Ewell! Both sessions are the same.

What can archaeology tell us about Roman Ewell? Easter event Wednesday 13 April 2pm to 3.30pm

Discover how people learnt to live with Roman power as a small native village became a busy roadside town. Learn how the building of a road brought a new world of ideas, food, pottery, trade and strangers to the area and gave locals a

chance to see the world. Learn something of their beliefs. Hear tales of the Roman underworld, sacred springs and sacrifices sealing deep sacred shafts full of gifts to the gods. Learn about what was uncovered during a recent dig, even more strange than earlier discoveries!

Archaeology adds to our knowledge, how pollen and snail shells can paint a picture of their surroundings, how their food waste gives us clues as to what they eat, how they butchered their meat, discover a dark side to Roman Ewell – slavery! Where did they hide their money in times of trouble? See and handle Roman artefacts.

Cost £5 per child. Further information is available from David Brooks, Bourne Hall Museum, Spring Street, Ewell. Surrey, KT17 1UF. Tel 0208 394 1734, Email dbrooks@epsom-ewell.gov.uk

APPEALS TO HELP UKRAINE

EMERGENCY DONATIONS NEEDED!

Our mission at Surrey Stands With Ukraine is to support the people of Ukraine by **collecting essential medical and search & rescue supplies** needed by those on the ground, and organising transport to deliver these supplies **directly from Epsom to the Polish/Ukrainian border.**

We are collecting physical donations at our Epsom hub, and also cash and card donations, which will go towards transportation costs and other high value, life-saving items.

100% of all donations will go to support the people of Ukraine. No fees or wages are taken by our volunteers or trustees.

WE ARE APPEALING TO YOU FOR HELP...

Enter our book raffle to raise money for Ukraine via the Disasters Emergency Committee who manage donations for 15 UK charities.

<https://www.citykidsmagazine.co.uk/2022/03/14/book-raffle-for-ukraine/>

A parent of ex Wallace Fields students. I work for a London parenting magazine and has just launched a book raffle to support Ukraine as you can imagine we get sent a lot of books from publishers, so we're putting together a bundle for schools in London and surrounding areas which parents and carers can win. The idea is that a school will receive a wonderful selection of new books as well as raising money for the Disasters Emergency Committee. This is a fantastic opportunity for schools and parents alike to support this crisis and win new books for libraries and classes.
