Issue: Friday 28th May 2021

## THIS WEEK IN SCHOOL

It's been our Outdoor Learning Week in school this week and thanks to the PTA and Miss Serjeant we had an exciting visit of owls and birds of prey from Falconry UK and despite the inclement weather all the classes did manage to spend lots of time outdoors this week.

On Thursday the children enjoyed breaking the uniform rules with whacky items and crazy hair to help raise an incredible £388.

After half term the excitement continues with lots of fabulous activities during enrichment week and the **Year 6** will all be off on the Isle of Wight doing lots of outdoor activities at PGL Little Canada.

I hope you have a great half term holiday.

Mr Lee

## FALCONRY VISIT

This week, the whole school had a very exciting visit from Falconry UK. We saw a number of amazing birds of prey and learnt lots of new and interesting facts about them all. Did you know, owls with orange eyes hunt during the day and that several of the birds were stars in the popular TV show...Operation Ouch! Thank you so much to the PTA for funding this fantastic experience for the children! We all loved it.

## WHAT YOU NEED TO KNOW

### ENRICHMENT WEEK 7<sup>th</sup> to 11<sup>th</sup> JUNE

#### YEAR 5 – MISSION IMPOSSIBLE

Year 5 have an exciting week planned where they will be combining their history topic and new geography topic together! The children will be doing lots of research using the Chromebooks, outdoor activity trails and craft making! Please remember to **wear your own clothes on Thursday 10th June** as we will be outside completing an exciting Mission Impossible day together!

#### YEAR 4 – VIKING WEEK

Year 4 will be taking part in Enrichment Week with a focus on the Vikings! As the children missed out on visiting Hooke Court this year, we are going to bring the activities to school.

- The children are invited to **come dressed as Vikings on Friday 11th June**, if they wish. Please do not go out and buy expensive costumes, unless you have a costume already. Long t-shirts and leggings with a bit of material as a cloak would be great!
- We also kindly request any donations of **cereal boxes (no boxes that previously contained nuts as there are children with severe nut allergies)** as the children will be making their own shields and mini long ships.
- To cover the cost of the other activities this week, we must ask for a **voluntary contribution of £1.00**, which should be sent into school in an envelope address to Ms Gough.

Thank you so much and we can't wait to have a week full of learning all about the Vikings!

#### YEAR 3 – ROMAN WEEK

Year 3 will be focusing on the Roman's during Enrichment Week. CREW Theatre will be bringing the topic to life in a workshop on **Thursday 10th June 2021**. The children are invited to **come in dressed as Romans** on Thursday 10th June, if they wish. Please do not go out and buy expensive costumes, unless you have costume already, just an old white sheet draped around

shorts and a T-shirt would be perfect! To cover the cost of the visit we must ask for a **voluntary contribution of £4.50 per child**, which should be **paid via the Scopay website** by their return after half term Monday 7th June 2021

## SPORTING NEWS

### YEAR 6 – CRICKET POSTPONED

Due to the bad weather on Monday, Year 6 were unable to play their part in the cricket tournament so it will have to be decided once they've had their chance to play after their Isle of Wight trip.

### YEAR 6 v STAFF NETBALL MATCH

On Wednesday, the Year 6 netball teams, who have missed out on playing other local schools this year, had the exciting challenge of a match against the WFJS staff. The "B" team bravely went first and the staff certainly rose to the occasion, quickly hitting their stride and playing like pros! Sadly the B's took a battering and the staff won 8-1.

After allowing the staff to catch their breath, it was then the turn of the As and quickly went two goals up, much to the delight of the supporters. The game was thrilling end to end stuff but the height and determination of the staff proved too much and the staff won 8-5.

Both Year 6 teams played so well and showed wonderful teamwork throughout. Well done to you all.

### YEAR 6 v STAFF FOOTBALL MATCH

On Thursday, for the same reason, the Year 6 football

teams played a selection of "staff" members. The Bs led the way again and battled hard but, despite fantastic defending by the youngsters, the adult team scored more goals and therefore won!

After a brief warm up match against the Bs, the As began their match. There had been much posturing beforehand so it was going to be a big deal! The staff played very impressively and got the first goal but the As soon equalised. The adults squandered chance after chance and the As kept attacking which paid off as they scored the winner shortly before full time! Well done to everyone involved, there were many spectacular moments of footballing brilliance but the prize for outstanding player has to go to Miss Smith for her cat-like reactions in goal, to save the staff from a very different score!

## REMINDERS

If not paid, legal action will be taken against the recipient for the period shown on the penalty notice, the local authority, Surrey County Council must prosecute the Parent / Carer for failing to ensure regular school attendance under Section 444 Education Act 1996. ## WHAT TO DO FOR A POSITIVE COVID TEST

Please contact the school to inform us of a positive Covid result as soon as possible by emailing [CovidAlerts@wallacefields-jun.surrey.sch.uk](mailto:CovidAlerts@wallacefields-jun.surrey.sch.uk) as well as calling the school office. If symptoms occurred 48 hours from being in school then we may need to close a school bubble if advised from Public Health England. We will notify all relevant pupils of a positive result by email, so we would request that families regularly check their email accounts on a daily basis. If notified of a positive case, please follow the NHS guidance on isolating in order to limit the spread of the virus.
