## HEAD'S UPDATE

**Lost Property:** A huge thanks to an incredible group of parents who helped take the lost property home, washed and dried it as it was soaked in the box. We have relocated the lost property into the quad as the lid keeps being left up and we need somewhere it has a chance of staying dry. You can check the lost property via the main office. Although half the items were named, the labels were children who had left the school or the writing was illegible so the item could not be returned to its owner. The Year 6 helpers spent about an hour this week sorting and returning the uniform to those who had labelled it clearly. The remaining unlabelled uniform will be sold at the next PTA pre-owned uniform sale. We are still getting lovely winter coats turning up with no name. They will be put in the Happy Bags collection on 14th November 2023 if not claimed from the lost property. Year 6 lost property helpers will regularly return uniform to classes from the box if labelled clearly.

**Open Days:** The school open days went very well this week with the prefects and school ambassadors showing prospective parents around school. Thank you to all those parents who came along and if you have any further questions please contact the main office or have a look at the school website which has a lot of detail about all the things we do here at Wallace Fields Junior

## Over £600 Raised at Upper School Football Fundraiser

The Year 5 & 6 parents v children footy match on 9th November 2023 for Y5/6 raised £391.25 on Crowdfunder and £227.50 in cash on the day. **A grand total of £618.50!** This is **AMAZING** and we hope that we can match this next week with Y3/4.

**All funds will go towards the all weather pitch fund.**

**Click here <sup>3</sup>to donate more funds.**

A huge thanks to our two referees Mr Taylor and Mr Findlay.

Thanks to Mr Sellars, our sports coach, for setting up and collecting scores.

Thanks to PTA for donating and organising the refreshments and thanks to Mrs Curran for selling them.

Also, thanks to Mrs. Gaiv, Ms. Kift and Ms. Grover for helping collect the money.

Finally, thanks to all staff who cheered and supported the children on the side-lines.

It goes without saying, that an enormous **thanks goes to the parents who played** and we are very pleased to announce that the First Aid kit wasn't needed.

We can't wait until next week until the Year 3 & 4 matches next week.

**Kind regards, Andréa Day, Deputy Head**

Well done to all the girls who took part and demonstrated some great play in our first game of the season and a special mention to Lucy B who scored a magnificent goal from a distance. Despite a hard fought match and some promising attacks the score was 6 – 1 to the opposition.

### Thank You to PAW

Thank you to the members of Prayers at Wallace Fields (PAW) who agreed to come in to help deliver our Faith and Philosophy lessons this year. This week Mrs Wright and Mrs Yang came in to Year 5 on Friday afternoon to help on the subject of 'Why is the idea of rescue so important to Christians?'.

### **Lower School Players for Children v Adults Football**

Thank you to all the Upper School parents and children who took part on Thursday 9th November 2023. Next week is the Lower School event. Teams have now been selected and will be announced on the assembly on Monday.

We look forward to seeing you next Monday or Tuesday.

## How to attend your appointments via video call

### 1. Log in and go to the Evening

On the day of the video appointments (or before, if you want to test your camera and microphone) login to Parents Evening at the usual web address for your school, or click the login link from the bottom of the email confirmation you will have received.

Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button.

Press the button to join your appointment on the day - or to test your camera/microphone at any time.

### 2. Check Audio and Video

When you click *Join Video Appointments* the *Check Audio and Video* screen will be displayed. You may at this point be asked if you wish to allow access to your camera/microphone, in which case please click yes.

From here you can turn on or off your microphone and camera, change which devices are being used for the call, and check your microphone and speakers. Once you are happy, click *Proceed to Video Call*.

### 2. The Video Call

On this screen you can see the following, when in a call:

- At the top left the teacher name (and subject details) for the current and next appointment
  - At the top right a countdown to the start of the appointment.
  - At the bottom the controls for the microphone and camera.
- 
- When another person is available these also show a pick up button to start the call
- 
- and a hang up button to leave the call.
- 

- In the middle, when your appointment is due to start, the *Start Appointment* button.

### 3. Making a call

Click the *Start Appointment* button. You will see yourself in the bottom right corner of the screen (unless you have no camera, or have chosen to turn it off). If the teacher has not yet joined you will see a notice to that effect in the centre of the screen.

When a teacher joins a call you will see them in the main part of the screen - or hear them, if they have no camera (or have turned it off) - and can start your discussion with them.

You will also see the remaining time for the appointment counting down in a blue bar at the top of the screen, which will turn red when the last 10 seconds begin. If anyone loses access to the system for some reason during the call, they can log in again and click *Start Appointment* on the video call screen. As long as the other person is still in the call this will let you continue with the appointment. When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

**Note that if you or the teacher are late, or leave and rejoin the call, it does not reset the timer. The appointment will always end at the scheduled time.**

#### 4. Follow on calls

If you have a consecutive appointment scheduled the screen will display a *Start Next Appointment* button. When you are ready to proceed, click on it

**Note that if you delay starting a call it does not extend the duration for that appointment. The appointment will always end at the scheduled times.**

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long until the start of your next appointment.

Once your final appointment for the evening is complete you will see a message advising you of this.

## Inviting another parent/guardian to join your appointments

You can give one other parent/guardian access to join your video appointments in respect of each student linked to you that is involved in the conference. You can grant this access at the time of booking, or later if required. 1. Once you have made your bookings (or when you later log in and go to *My Bookings*) click on the *Invite Parent/Guardian* link at the top of the list of your bookings. If you have already sent an invitation this link will show as *Manage Invites* instead.

You **must** enter a *Name*, and an *Email address*, as well as tick the box to consent to that person being given access to the information used to make the appointments.

If there is more than one student linked to you, choose the student(s) in respect of whose appointments the access to this person will be granted.

When you click the blue *Send Invite* button an email is sent to the address entered, giving them a link and details on how to join the call.

Please note that **ONLY** that one invited guest should use this link. Anyone else using it (including the parent that sent the invite, who should be logging via their own confirmation email) will knock the guest out of appointments.

Here is an example of what the invite email looks like:

3. You will then see a *Manage invites* box that shows your sent invitation(s), allows you to add another invite if you have any more available (the person invited can be different for each student, if wished), and allows you to *Resend* invites or *Remove* them.

If you click *Remove* the link in the previously sent invitation will no longer work and that person can no longer join the video call.

Note that a call can have a maximum of 4 people in it at any one time. In cases where a school has assigned 3 teachers to take joint appointments for a class, a parent can still invite a guest, but once the number of participants in the call reaches 4 no further people can join it (unless one of them leaves).

## Christmas Carol Concert

Please ensure you have the evening of **Monday 11th December 2023 7pm - 8pm** in your diary. The Christmas Carol service at the Epsom College Chapel is the only opportunity for the whole school to be together so we expect all children to attend. All parents and siblings are welcome to come to watch the concert. If for religious reasons your child is unable to attend, please email [office1@wallacefields-jun.surrey.sch.uk](mailto:office1@wallacefields-jun.surrey.sch.uk)<sup>5</sup>

Parents/carers must NOT arrive before 6.30pm and there is no parking on site.

We expect your child to attend the rehearsal (on the morning from school) and the evening service unless we hear from you. We need some parent volunteers to walk with the children over to and back from the Epsom College chapel in the morning of Monday 11th December 2023 for the rehearsal. We are leaving school at 9.00am and returning at 11.45am. Parents do not need to stay for the whole dress rehearsal unless they wish to. If you can help please email [Office1@wallacefields-jun.surrey.sch.uk](mailto:Office1@wallacefields-jun.surrey.sch.uk)<sup>6</sup>

## Sign Up For Hockey Masterclass at Epsom College

**Would your child be interested in a free U8, U9 & U10 Hockey Masterclass at Epsom College run by GB International Players on Friday 17th November 3.15pm-4.45pm?**

Epsom College has contacted Wallace Fields Junior School to ask if any children, who are interested in hockey, and would like to train alongside current GB stars. Together with the Epsom College coaches, they will run a masterclass focusing on shooting, dribbling and elimination, defending and ball control.

There is no cost for this session, all skill levels are welcome and hockey sticks can be provided too. Your child must have a mouthguard and suitable clothing, bring a hockey stick (if they have one) and their own water bottle.

**If you would like to join this please email [Office1@wallacefields-jun.surrey.sch.uk](mailto:Office1@wallacefields-jun.surrey.sch.uk)<sup>7</sup> by Monday 13th November** with the full names of the children attending with their age group and any dietary requirements (we will be offering them a sweet snack through the afternoon).

You will need to collect your child slightly early from school on that day and may take your child to Epsom College for 3.15pm. On the day, please enter the Epsom College grounds via the College Road entrance – you may park around the Main Drive. You will see the Chapel at the bottom of the Main Drive, the astro where the masterclass will take place is opposite the Chapel.

There are limited numbers, so please do respond quickly to avoid disappointment.

500 Words, the UK’s most successful children’s writing competition is now open for submissions and **runs until Friday 10th November**. We would love for some of our amazing children to enter the competition and see some of their entries. The two age categories are 5-7 year olds and 8-11 year olds and children of all abilities are encouraged to enter. There are some amazing judges this year and it is once again supported by Her Majesty, The Queen.

All the stories must be

- 500 words or less (the title is not included in the number)
- be written by an individual not a group
- be a child's original idea
- be narrative - not rap or poetry
- The stories must not:

The stories are judged on the following criteria: characterisation, plot, originality, language and enjoyment.

If you click here,<sup>9</sup> you will find far more details, hints and tips about entering the competition - and we would love to see and read some - so please send in some entries to our English Lead, Mrs Crabb so that they can be displayed and celebrated in school. Good Luck!

## How to Set up PARENTAL CONTROLS for APPS Android Phone

On Android phones, restricting access to particular apps usually requires going onto Google Play. From there, it's fairly easy to navigate your way through the settings to manage the parental controls and authorisations relating to any apps on the device. These features can prevent your child from downloading or buying anything unsuitable for their age. Updated versions of apps or games that your child has already installed may occasionally contain something inappropriate, so we've explained how to stop those, too.

### How to Block App Downloads (This Also Disables In-app Purchases):

1. Open Google Play Store
2. Tap the profile icon in the top right
3. Tap Settings
4. Scroll down to the Family section and tap Parental controls
5. Toggle 'Parental controls are off' to 'Parental controls are on'
6. Create a PIN and tap OK
7. Confirm your PIN and tap OK again
8. Tap Apps & Games
9. Set the age limit you wish to set
10. Tap Save to apply your changes

### How to Stop Auto-updates

1. Open Google Play Store
2. Tap the profile icon in the top right
3. Tap Settings
4. Tap Auto-Update Apps
5. Select 'Don't auto-update apps' and then tap Done

### Restricting Apps Through Google Family Link

1. Open Google Play Family Link for parents
2. Tap the three horizontal lines in the top left
3. Select your child's account
4. Tap Manage
5. Tap Controls on Google Play
6. Tap Apps & Games
7. Select the age limit you wish to set

## PARENT WELLBEING SERVICE

---

Our partnership is made up of 12 different charities and organisations working across Surrey. All coming together to support children, young people, and their families to thrive.

### Our Service

The Parent Wellbeing service supports parents/carers and their families to thrive and gives young people and their parent/carers a central voice in decisions about their care and recovery.

Young people and their parents/carers will have greater choice about their options and more opportunities to access a range of services in a variety of different ways.

### Parent Wellbeing Service

The Parent Wellbeing Service offers support to parents or carers whose children are experiencing poor mental health and wellbeing such as anxiety, depression, stress, self-harm and eating disorders.

The service will enable parents and carers to be a protective factor for their child/young person in their wellbeing recovery. Increasing their confidence to support their child/young person.

Practitioners will meet with parent/carers to help them identify their goals and how they can achieve positive change for them and their family. This could be through:

- Meeting with a practitioner for 1:1 support
- Attending local groups
- Getting advice, guidance, and information
- Accessing phone or online support
- Finding other support in the local community
- Befriending other parents/carers going through similar difficulties

## Support

Parent/Carers may feel it would be useful to meet with a member of the Parent Wellbeing Service for 1:1 support or via small groups.

The service will support parent/carers in deciding whether this will be useful and how many sessions they will need.

Practitioners use an outcomes-based approach to help parent/carers understand their family strengths and how they can use them to achieve their goals.

Practitioners will meet with parent/carers where they feel comfortable. That could be at home, online or out in the local community.

The Parent Wellbeing Service works within the i-THRIVE framework (Getting help and advice)

The Service covers the whole of Surrey.

## Referral Process

The Parent Wellbeing service works closely with the Community Wellbeing Team and referrals can be made via this team or through:

- Mindworks Surrey Access and Advice service (formally CAMHS Single point of access)
- Professionals working with the family such as education, GP, social care
- Parents or Carers themselves

### Gardening Club - Don't forget Your Wellies

Children who take part **MUST wear wellington boots or a spare pair of old shoes and coat**, otherwise unfortunately they will be unable to take part.

### Wraparound Care Provided by Junior Adventures Group - JAG!

**Junior Adventures Group Club (JAG)** provides excellent wraparound care at Wallace Fields Junior School. They run Breakfast Club from **7:30am until 8:40am** and After School Club from **3:25pm until 6:00pm**. From September, a new part session 4.30pm -6.00pm has been created for After School Club and is live on the JAG Magic Booking system (price is £11.00). This means your child can attend a Wallace Fields Club and then join JAG at 4.30pm at the reduced price. This is from September 2023 and available to juniors only.

It would be very helpful if all parents could register on JAG

<https://www.junioradventuresgroup.co.uk/term-time/after-school-club/> even if they never use JAG during their time at WFJS. This would allow a late pick up in an emergency. JAG cannot take unregistered children due to them being under a different Ofsted registration. The office cannot look after a child beyond school day and those children who are regularly picked up late must register with JAG.
