HEAD'S UPDATE

Congratulations to the entire Wallace Fields Team for the successful **International Schools Award** accreditation. This was announced this week by the British Council and is proof of the schools enormous efforts to forge links between us and other schools and to develop and celebrate our diversity within school. Special thanks go to our international schools coordinator and diversity lead **Mrs. Kidwai** who has put a vast amount of work into the creation, collation and presentation of the evidence to the British Council. She has worked tirelessly, creating international links and ensuring languages are shared and celebrated around school - including our Diversity Days. Well done! The accreditation will be included on our formal letter footings as a reminder of our achievements. We had external accreditation as a key target on our school development and so this is the culmination of lots of work last year to achieve this recognition.

Gas Main replacement works: I have not had direct contact from the gas company however I do hold regular meetings with our Residents' Liaison Group. They have informed me that the majority of the work in Dorling Drive is nearing completion and in a couple of weeks time they will move to St John's Road. Please avoid driving to school if you possibly can and be aware that when Dorling Drive is complete, St Johns will be very difficult for access and manoeuvrability. The paths will be clear though there will be obstruction from barriers on the highway for the very deep holes being dug and so please take care.

THIS WEEK

Welcome Meetings

It was lovely to see so many parents in for their Year 4, Year 5 and Year 6 welcome meetings this week - thank you for coming in to meet your child's teacher and to get additional detail on the trips, visits, curriculum, homework and activities for that specific year. These meetings support the start of the year as the children settle into their routine, adjust to the expectations and understand the need to be more organised to be successful in learning. The next opportunity for parents to come in is the year group Tea Parties where you will get the chance to see your children's books and meet with other parents. Details will be in the newsletter in October.

Wallace Fields Juniors are Awarded the International School Award!

We are thrilled to share some exciting news with you! Our school has achieved the prestigious International School Award from the British Council. This honour reflects our commitment to enhancing the international dimension of education and recognizes the outstanding work we do in collaboration with our partner schools around the globe.

We would like to take this moment to express our heartfelt gratitude for your unwavering support. Your involvement and dedication are instrumental in making such achievements possible, and this award is as much a testament to your commitment as it is to our collective efforts.

We work hard to cater to the demands of the modern world we find ourselves in, developing global and cultural awareness that goes beyond the confines of classroom learning. This initiative will undoubtedly continue to boost the personal development for our learners and is independent proof of our international links and our celebration of diversity within school.

As we celebrate this milestone, we look forward to continuing our exciting work in developing the learning of culture and language within our school community. Together, let us foster an environment where our students can thrive in a diverse and interconnected world.

Thank you once again for your support!

Stars of the Week Awards

1 - Congratulations to those children who were selected as the Stars of the Week for their class this week. These children have shown one or several of the school values from our BELIEVE ethos and shone out as making a particular effort or may have tried very hard to help others or shown brilliance. Please ask your children about BELIEVE and what it stands for. Well done to you!

Thank You From Mr Taylor and Ms Grover

We are both very grateful for all of your kind messages. Many of you have asked if there is anything you can do.

Ms Grover is currently joining thousands of others who are walking 100k in the month of September to support SANDS and the incredible work they do for bereaved families.

Sands exists to reduce the number of babies dying and to support anyone affected by the death of a baby, before, during or shortly after birth, whenever this happened and for as long as they need support.

If you would like to donate you can do so using the link below.

Year 5 River Walk – Thursday 3rd October 2024

As we are currently studying the journey of the river and its surrounding environment in Year 5, we have organised a river walk and a visit to Bourne Hall to learn about the importance of the spring in Ewell. The trip is planned for Thursday 3rd October 2024 and we will be leaving school at 9.30am and returning to school at 3.00pm. Please note, pick up and drop off is as usual.

This trip will be highly beneficial in consolidating the work that we have done in the children's geography topic and will allow them to take a closer look at the features and habitats of a river and how people settled in Ewell in the past.

Children will be required to wear their school uniform and must bring a warm waterproof coat. All children must have a packed lunch provided from home, a fruit snack for the morning with an extra drink. (No glass bottles please).

This trip is completely free of charge. As we already have parental consent for local walking trips, we do not require you to sign a permission slip.

We do require parental help for the whole day as we are at a riverside. If you are willing and able to accompany us, please email office1@wallacefields-jun.surrey.sch.uk. We will be letting volunteers know if their help is required in the coming weeks, once school staff numbers have been finalised. Thank you in advance to anyone who is able, and willing, to give up their time.

Dates for PGL Marchants Hill Residential Trip

Extra details may include rough drafts or plans of activities to do over the course of 3 – 4 weeks. We expect the children to spend 45 minutes per week on their topic homework. For a 4 week project, three hours of work should be evident as appropriate to the level and ability of the child. Secondary School Open Days and Tests

This autumn, some Year 6 children will be attending secondary school Open Mornings and some will be taking grammar school tests. Please contact Office1@wallacefields-jun.surrey.sch.uk if you child will be absent for any reason including visits and exams.

Please give us as much notice as possible so we can plan their teaching around these planned absences. Absence will be authorised for the visit or exam time only, so children should come into school before or after a visit or exam. Year 6 is an important time so it is vital that they miss as little curriculum time as possible.

The headteacher does not authorise absence for 'hot-housing' or preparation for entrance exams and this will be marked as unauthorised absence and the absence record will be sent on to the next school.

For information on Secondary School Open Mornings please contact the secondary schools directly though some are as follows:

- **Rosebery** - Open Mornings Events Friday 4th October, Tuesday 8th October or Thursday 10th October 2024.
- **Glyn** - Open Morning Events Tuesday 15th October 2024, Wednesday 16th October 2024, or Thursday 17th October 2024
- **Blenheim** - Open Morning events Tuesday 17th September, Wednesday 18th September, Tuesday 1st October or Wednesday 2nd October as well as an Open Evening on 19th September 2024.

Please also find attached below a Surrey County Council leaflet with important dates for applying for their secondary school place.

How do I apply?

- The quickest and easiest way to apply for a school place is online. Visit surreycc.gov.uk/admissions to access the application form and more information on the application process and admission arrangements for Surrey schools. It is important that you consider this information carefully when you make your application.
- You can start your online application any time from 1 September 2024 but you must have completed it by 31 October 2024. We would suggest you submit your application by Friday 23 October 2024, before the half-term holiday.
- You can download the app ParentComms to your mobile device to receive notifications about your application.
- Once you have submitted your application you will receive a confirmation email.
- On 3 March 2025 you will receive an email with the outcome of your application and, if you have registered for ParentComms, you will also receive a notification with the outcome.
- You will need to accept or decline your offer of a school place online by 17 March 2025.

What else do I need to know?

- School open days will usually be held in September or October. Please check each school's website for the most up to date information about open days or evenings. You should contact schools directly if you'd like to arrange a visit.
- You can name up to six schools on your application form, in the order that you prefer them. Where possible the local authority will allocate a place at one of these schools.
- Schools will not know where you have ranked them on the application form so the order of your preferences does not disadvantage you.
- The local authority has a duty to provide a place for your child but it does not have to be at one of your preferred schools.
- If you have an older child already at the school, you must still apply for a younger child.
- If you have more than one child applying for a school place, you must make a separate application for each of them.
- If you live in Surrey you must apply to Surrey, even if the schools you list are outside Surrey.
- Some schools may need you to submit a supplementary information form in addition to the application form. Find out more about supplementary information forms at surreycc.gov.uk/admissions.
- If you are registered for council tax you must supply the name of the borough or district and the council tax account number for the property where your child normally lives. Otherwise you will be asked to provide evidence of where your child lives.
- When applying online you must make sure that you press 'submit' at the end of your application and that you receive a confirmation email which sets out your preferences and confirms your application reference number.
- If you do not receive a confirmation email you should check your application to ensure its status has been changed to 'submitted'.
- If you write to us or submit information to support an application, remember to include your child's name, date of birth and application reference number (if you applied online).
- If your child has an education, health and care plan, there is a separate process and you will receive more information from your child's SEND Case Officer.

Because of the limitations of the teacher working day and having to go via the office email please include what is it that you need to address – teacher time is precious and to make sure we have the information you need, it is better for us to know what the discussion will be about beforehand! ©

Homework

Monday: English homework – every week
Wednesday: Maths homework – every week
Friday: Topic/Foundation homework – 3 times per half term

Often (but not always) additional information, dates and/or resources for the topic homework will be added to Google Classroom. If your child has forgotten what they need to do or their hand-in date – please check there first – if it is not there, your child should check with the teacher who set the homework as soon as they can! We do not send additional work home for your children to practice aside from this homework.

Written tests for Reading Comprehension
Spelling, Punctuation and Grammar
Maths Arithmetic and 2 Reasoning papers
Writing is Teacher Assessed throughout the year

During the Spring term and early summer, children will be given the opportunity to practise past papers in school. It would greatly help us if they did not practise these at home or use them for revision. The papers do not cover the whole curriculum – they are a snapshot and therefore the revision we do in lessons is far more valuable than previous papers.

Epsom and Ewell ghost writers

On September 14th 2024 Bourne Hall Museum will be celebrating some of the many writers who have celebrated our local area. All have died, hence ghost writers.

Four re-enactors will be playing the writers details of which ones are on the reverse.

To run alongside the event, we are holding a poetry competition for local children to write poems on what they like about the local area or a local place.

These will be judged by the poet Ana McLaughlin (shown above) in the following age groups: 5–8, 9–12, and 13–16. If there is the demand, we could add a further older age group. The top three in each group will win a signed copy of her new anthology *Heroes and Villains*, which will be presented by her at an event in October at Bourne Hall. Poems should be emailed to me at dbrooks@epsom-ewell.gov.uk or dropped off at the Bourne Hall reception desk by 14 September.

Mrs Beeton the Victorian author of the *Book of Household Management*, wrote one of the most famous cookery books ever published. The first instalment, published in 1861, was an immediate success, selling over 60,000 copies in its first year and nearly two million by 1868. She lived in Epsom for many years before her marriage.

Robert Fabian was a police officer, who rose to the rank of Detective Superintendent in the Metropolitan Police. After retirement from the force in 1949, he worked as crime writer. His work was dramatised in the 1954-6 BBC drama series *Fabian of the Yard* based on his book of the same name centred on New Scotland Yard. He lived locally and died in Epsom Hospital in 1978.

Samuel Pepys had the best-documented life of his time, not just because he was a key figure running the Royal Navy, but because the nine-year period covered by his diary gives a unique insight into his daily actions and innermost thoughts. During this period Pepys visited our area on six occasions: once in 1663, four times in 1665 and once in 1667. He spent time in Ewell and Nonsuch Palace. He makes it clear that he was already well-acquainted with the area: a cousin lived at Ashted and Samuel spent time there as a boy.

Charles Dickens, the greatest novelist of the Victorian period, created some of literature's best-known fictional character. His novels and short stories enjoyed unprecedented popularity during his lifetime and are still widely read today. Dickens visited and wrote about the Derby, and it even appears in one of his books. He once said that you could fire a cannon ball down Epsom High Street 364 days of the year and it would hit no one, but take out half of England on the 365th – Derby Day.
