## Head's Update

### Safeguarding Governor Visit

This week, our safeguarding governor carried out an important safeguarding assurance check. The visit included meetings with the Designated Safeguarding Lead and Deputy Designated Safeguarding Leads (DSLs/DDSLs), as well as selected pupils from across all year groups to ensure a representative cross section of the school community.

Governors reviewed the school's Single Central Record (SCR) and spoke with teachers and staff to assess their safeguarding knowledge and understanding. They also explored a range of scenarios to confirm that staff are clear on how to respond effectively to any safeguarding concerns within school and their regular training and updates enabled them to illustrate how fully informed and responsive the staff are.

I would like to extend our thanks to the staff team and to Mr Christian Kingsley, who led the review. The feedback was constructive, positive, and reassuring. Pupils reported that they feel safe, understand who the trusted adults are, and know how to report and manage any incidents of bullying. Although pupils stated that there is currently no bullying in school, we

<sup>3</sup><https://wallacefields-jun.surrey.sch.uk/news/2025-03-18-inset-days-confirmed-for-next-academic-school-year>

recognise that it can occur, and it is essential that children are familiar with the systems in place and confident that staff are here to ask for help and to protect them.

In addition to this visit, we also complete a full safeguarding audit each year. These processes form part of our ongoing commitment to ensuring that safeguarding is robust and that all systems are working effectively. Promoting wellbeing alongside safeguarding helps children to thrive academically and socially, building resilience and increases their confidence for the future (see below for more details about the Wellbeing Day).

## Autism Friendly Review - Visual Timetables

As part of our commitment to being an autism friendly school, every classroom has a clear visual timetable on display on each day. At the start of each day, teachers take time to go through the day's routine with pupils and this remains on the board. This simple but important practice helps autistic children, and those with autistic traits, to feel calm and prepared for the day ahead.

Following our recent autism friendly review by SAFR (SCC), this approach was highlighted as good practice for the school to maintain. We would like to thank all staff for consistently talking through the daily schedule and ensuring this visual display is available. It makes a significant difference to creating a settled and supportive learning environment for all.

## Stars of Week

Last week's **Stars of the Week** were announced in the assembly last Friday - they create a superb role model for their fellow peers through their efforts and commitment by following the school values.

Nominated each week in our Celebration Assembly every Friday. All of the Stars of the Week receive a certificate and five house points for showing one or more of the school BELIEVE values - **B**rilliance, **E**nthusiasm, **L**earning, **I**nspiration, **E**quality, **V**ision and **E**very pupil matters. Well done to this week's winners.

## THIS WEEK

### Wellbeing Day

On Friday 14 November 2025, our school community came together to celebrate **Wellbeing Day**, a special occasion dedicated to promoting happiness, mindfulness, and a sense of calm. Pupils enjoyed a variety of enriching activities designed to support both emotional and physical wellbeing. Highlights included an energetic African Dance Workshop that encouraged movement and joy, cosy reading sessions that provided time for relaxation, and a range of mindful and wellbeing activities to help pupils reflect and recharge.

### Parents' Open Morning at Wallace Fields Junior School

**Would you like to see round the school whilst it is in action?** No frills or carefully prepared sessions - just a real and exciting opportunity to see the school and feel the atmosphere for yourself that we have here. See the children in action and hear the exciting lessons and activities that are going on. The children will be investigating and learning and if you have any questions you can ask the prefects who are showing you round. After the prefects have shown you around the school and classrooms, any questions that are too technical or relate to your application for a place can be put to the head teacher after your personal tour.

Due to increased demand we have scheduled this **additional open day** in. Please complete the form below if you would like to attend on **Tuesday 25th November 10:15-11:15**. Please assume that you have a confirmed place unless you are contacted by us. This is for parents and carers only (and younger siblings if no childcare available).

**10:35** Prefects and School Ambassadors give personalised tours around the school and through the classrooms

## Outdoor/Eco-area Competition

As a school, we are looking at making the outdoor/eco-area more engaging and for it to be used a lot more as a learning resource. In achieving this, we are looking at changing the area and we want your help! **We would like you to create a design of how you would like the outdoor/eco-area to look.** You can create it on anything you like, this could include online (Canva), a drawing, a 3D model or any other way you think of. You need to think what tools/equipment you would like in the area and how would the area be used as a way of learning. What subjects would it link to? How would the resources be used? Use your imagination! There will be prizes for the top 3 and parts of the designs will be implemented into the final design of the outdoor woodland area at Wallace Fields Junior School!

Examples of resources to have in your outdoor area such as a bug hotel, seating logs, a pond, sand/stones, fencing, footpaths, musical or sensory sections and stepping stones.

**The deadline for the competition is on the 12th December 2025** and any entries please give to **Mr. Taylor**. We look forward to seeing them.

The Trust offers financial assistance for group or individual instrumental lessons with professional music teachers, music exams, accompanists, and participation in courses, workshops, and ensembles.

  - **Age:** 18 years or younger.
  - **Income:** Your combined annual family income should typically be at or below £35,000. (Exceptions may be made for incomes up to £40,000 in special cases.)
